

End of Year Reflection for Mentors

The purpose of the reflection is to encourage the mentor's thinking on the content, experiences, and impact of the mentoring process on his/her learning.

Use these prompts to guide your reflection:

- ◆ How has mentoring contributed to your professional growth?
- ◆ How will you apply what you have learned from your mentoring experience to future professional practice?
- ◆ What have you learned about working with a colleague in a mentoring relationship?
- ◆ What aspects of the mentoring experience would you change?
