

SUPPORTING PROGRAMS TO ENHANCE School ↔ Family COMMUNICATIONS

In St. Vrain Valley Schools, communication between schools, teachers, families, students and the district is an essential part of fostering high levels of student growth and achievement. Our schools employ many tools and resources to enhance communication across our community to ensure that families are aware of school events, student grades, emergency and weather communications, unexcused absences and much more.

WEATHER AND EMERGENCY COMMUNICATIONS

Inclement Weather

When forecasts are definitive, the district will close or delay school with as much advance notice as possible. When forecasts are less definitive, we will monitor conditions closely and consult with county and state officials prior to making a decision to close or delay schools. In these instances, we will make every effort to communicate with you no later than 5:30 a.m. on the school day in question. When schools are closed due to inclement weather, transportation and other activities, both in- and out-of-district, are also canceled.

Families will receive weather communications via phone, text and email based on their notification settings in Infinite Campus. Closure information is also communicated through social media, the district website and through local media outlets.

Emergency Communications & School Safety

Student safety and transparent communication with families are of the highest priority in St. Vrain Valley Schools. To ensure security in and outside of the school building, we utilize the I Love U Guys Foundation, Standard Response Protocol (SRP). The SRP is designed to establish standards for responding to emergencies that may occur in or near our schools. It is based on four basic response actions: Lockout, Lockdown, Evacuate and Shelter.

Families will receive emergency communications via phone, text and email based on their notification settings in Infinite Campus. Closure information is also communicated through social media and the school and district websites.

CHECK YOUR NOTIFICATION SETTINGS

It is important to routinely verify and adjust these settings to ensure you are receiving all important school and district communications through the desired media. To adjust how you receive communications from your school or St. Vrain Valley Schools, start by logging into the Infinite Campus Parent Portal at <http://stvra.in/icparent>. If you do not have a login or password, contact your local school for assistance.

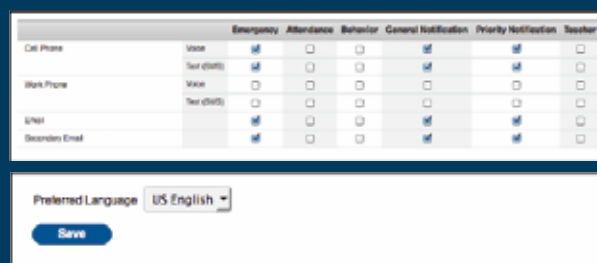

1. Select 'Contact Preferences' From the Menu

2. Enter Your Primary and Secondary Email

3. Select Email/Device for Message Type and Click 'Save'

A screenshot of the notification settings table and the 'Save' button. The table has columns for 'Emergency', 'Attendance', 'Behavior', 'General Notification', 'Priority Notification', and 'Teacher'. The rows represent different communication methods: 'Cell Phone' (Voice, Text (SMS)), 'Work Phone' (Voice, Text (SMS)), 'Email', and 'Secondary Email'. Each cell contains a checked checkbox for 'Emergency' and 'Priority Notification', and an unchecked checkbox for 'Attendance', 'Behavior', and 'Teacher'. Below the table is a 'Preferred Language' dropdown set to 'US English' and a 'Save' button.

If you need assistance adding your cell phone number or updating your settings, please contact your school office.

Did you know that Infinite Campus also has a free app that you can download on your phone?

Visit your app store to download the app and have quick access to your student's information and receive notifications for assignments, attendance, grades and more.
