During the course of the year, the District receives many cash and gift donations for its programs. Compared with the 2018-2019 school year, fourth quarter gifts totaled $276,871.32 and total gifts that school year totaled $1,192,588.09.

**COVID-19 Update (6.2)**

Dr. Haddad updated the Board on the current proposed process to start school in the fall according to state mandates and local health department requirements, and reminded everyone that the process continues to evolve.

- Acknowledged that he is unable to accommodate every hardship request from staff and the parent community, but has granted exceptions to as many cases as possible. He continues to be in contact with the Colorado Department of Public Health and Environment for the latest revisions in COVID information. Dr. Haddad would like to avoid school closures that quarantine teachers and students and feels ongoing, sporadic closures would be unmanageable. Dr. Haddad thanked the staff, parents and students for their support through this trying time.
- District athletics have been divided into Seasons A, B, C, and D. Tennis, golf, cross country, and softball have already begun.
- Executive Director of Student Services, Johnny Terrell, monitors data tracking District COVID cases. COVID testing will be available to District staff at no cost.
- Assured the Board that the curriculum that will be used for online learning is the same as students would receive in person and will be taught by our high-quality St. Vrain Valley teachers with the best technology available.
- Assured the Board that District staff is doing everything in its power to give students the best learning experience possible and to continue, as they always have, to mitigate the learning gap.

Board members expressed their appreciation to Dr. Haddad and Dr. Kapushion and their administrative team that have responded to challenges during the pandemic, and for responding to the enormous number of questions about the decision-making process from parents. They also acknowledged Kerri McDermid and her Communications team for the incredibly thorough email to parents with links to detailed information for families.

Board Vice President Paula Peairs reported on the process of Board policy review and adoption procedures. Colorado Association of School Boards (CASB) begins the process by tracking legislation that affects the policies. CASB then compiles those policies that need to be revised to comply with the new laws and sends that list of policies to school administration. Administration consults with District legal counsel and is then responsible to bring those policies forward to the Board for adoption.

Board members expressed their appreciation to Paula for her participation on the Board member policy committee and her clear explanation of the policy adoption process.

The following Board policies have revisions to reflect changes to current laws, rules, and regulations of Colorado legislation, the U.S. Department of Education, and the Colorado Department of Education. They were recommended for adoption by CASB, district administration, and District legal counsel.

**ACTION ITEMS (8.0)**

**Approval of Charter Agreement Extension for Carbon Valley Academy (8.1)**

Chico Garcia moved that the Board of Education approve a one-year extension of Carbon Valley Academy’s Charter Agreement. Jim Berthold seconded.

Greg Fieth reported that, in June 2019, the Board approved a three-year standardized operating contract, defining operating parameters for all District charter schools.

In addition, each charter school has an individual charter agreement with the District based on their original charter school application. This charter agreement defines the school’s goals, objectives, student performance standards, and measurement criteria. Board policy LBD-R guides the charter renewal process.
Carbon Valley Academy’s Charter Agreement was due for renewal on June 30, 2020; however, their Executive Director, Tony Carey, retired in June 2019 and during the administrative turnover, this date was missed. We are requesting a one-year extension of Carbon Valley Academy’s Charter Agreement to allow the new administration to prepare the renewal documents.

Greg confirmed that Carbon Valley Academy is currently in compliance with the terms of their lapsed charter contract with the District.

The motion carried by unanimous roll call vote: [John Ahrens, yes; Jim Berthold, yes; Chico Garcia, yes; Dr. Richard Martyr, yes; Paula Peairs, yes; Karen Ragland, yes; Joie Siegrist, yes].
