Northridge Elementary School – Completed 2012

- Classrooms will be updated to enhance learning communities with St. Vrain’s 2008 Educational Specifications.
- Up to 5 computer drops per classroom for small group and classroom breakouts will be added.
- Additional technology teaching infrastructure will be provided to enhance the educational delivery possibilities.
- Media and computer labs will be enhanced to provide students with new educational possibilities while supporting secondary education in IB, AP, STEM, MESA and other advanced opportunities.
- Building safety will be enhanced to support learning in a safe environment.
- Interior doors will be refinished or replaced and ADA compliant hardware will be installed.
- Remove the old sidewalks and replace deteriorated elements with new concrete.
- Refinish existing flooring to enhance education environments as needed.
- Replace the water closets and flush valves, lavatories and faucets.
- Installation of a fire sprinkler system as required.
- Upgrade electrical services and the fire alarm systems.
- Repair or replace deteriorated roofing systems as required.
