FAIR CONTRIBUTIONS FOR PUBLIC SCHOOL SITES FUND

This Special Revenue Fund was first established November 15, 1995 in accordance with the Intergovernmental Agreement Concerning Fair Contributions for Public School Sites between the City of Longmont and the St. Vrain Valley School District in order to collect monies for acquisition, development or expansion of public school sites based on the impacts created by residential subdivisions. Since that date, additional intergovernmental agreements have been set up with the Towns of Mead, Frederick, Firestone, Erie, Lyons and Dacono. Additional fair contribution fees for public school sites are collected from Boulder County, Larimer County, and from individual developers in Weld County.

The fee is assessed according to the type of dwelling: single family, duplex/triplex, condo/townhouse, multi-family or mobile home. The fees are collected for use within the senior high school feeder attendance area boundaries, which serve the individual dwelling units.
