

"Tutor Doctor takes the time to find the best match and the tutors are committed to the success of the student"

— Miriam H, Idaho USA

The Benefits

Convenient, comfortable, one-to-one
We come to you, wherever you are, at a time that is convenient. In the comfort of your home, we provide individualized training and give your child the caring and confidence that they need to succeed.

Everyone can learn with the right approach

We have a comprehensive, collaborative approach and work together with your child and teachers to identify the right strategies and find the perfect tutors.

Better learning, better life

Your education consultant and tutor have your child's best interests at heart. We listen, understand, and build an educational support team to help your student become an academic champion for life.

Your goals are our goals

Whether your child's needs are immediate — like passing the next exam — or long term, we build a tailor-made plan that gets results. We also have an Innovative Academic Game Plan to help them stay focused, plan ahead and reach their goals.

The Tutor Doctor Process

Assess

Through our free consultation process we take a comprehensive and collaborative approach to create a program that is right for your child.

Match

Our advanced matching system finds a qualified tutor who suits your child's personality and academic needs.

Tutor

Our personalized coaching means the curriculum revolves around your child. We provide homework help and fill in the gaps to create confident, happy students.

Support

We support your family every step of the way by checking in regularly and providing weekly session reports.

My child really likes her tutor and I have seen vast improvement since she has started tutoring.

— Pauline C. Ontario, Canada

We are thrilled with Blair as our daughter's SAT/ACT instructor. They make a great team.

— Linda R, California, USA

Results! Results! Results!
Convenient in-home personal attention, experts in the strategies of test taking, intellectual cheerleaders for my child!

— Joanne D. Missouri, USA
