

Copyright Compliance

The Board does not sanction illegal use or duplication of copyrighted materials in any form. Neither district employees nor students shall either duplicate or use copyrighted materials in violation of the exclusive rights of the copyright holder. Furthermore, illegal copies of copyrighted materials shall not be made or used on district equipment.

Copyrighted materials may only be used or duplicated when the use or duplication constitutes a “fair-use” of materials as defined by law or with prior permission of the copyright holder by letter, license, email or by telephone.

Employees or students who willfully disregard the district’s copyright position do so at their own risk and assume all liability.
