

Nondiscrimination/Equal Opportunity

The Board is committed to the policy that no otherwise qualified person may be denied access to, be excluded from participation in, be denied the benefits of, or be subjected to unlawful discrimination under any district program or activity on the basis of disability, race, creed, color, sex, sexual orientation, gender identity, gender expression, marital status, national origin, religion, ancestry, or need for special education services. Accordingly, no otherwise qualified student, employee, applicant for employment, or member of the public may be excluded from participation in, be denied the benefits of, or be subjected to unlawful discrimination under any district program or activity on the basis of disability, race, creed, color, sex, sexual orientation, gender identity, gender expression, marital status, national origin, religion, ancestry, or need for special education services. Discrimination against employees and applicants for employment based on age, genetic information, and conditions related to pregnancy or childbirth is also prohibited in accordance with state and/or federal law.

For purposes of this policy and other policies including a nondiscrimination statement, together with all implementing regulations and exhibits, these terms have the following meanings:

- “Race” includes hair texture, hair type, or a protective hairstyle that is commonly or historically associated with race.
- “Protective Hairstyle” includes such hairstyles as braids, locs, twists, tight coils or curls, cornrows, bantu knots, afros, and head wraps.
- “Sexual Orientation” means an individual’s identity, or another individual’s perception thereof, in relation to the gender or genders to which the individual is sexually or emotionally attracted and the behavior or social affiliation that may result from the attraction.
- “Gender Expression” means an individual’s way of reflecting and expressing the individual’s gender to the outside world, typically demonstrated through appearance, dress, and behavior.
- “Gender Identity” means an individual’s innate sense of the individual’s own gender, which may or may not correspond with the individual’s sex assigned at birth.

This policy and supporting regulations will be used to address all concerns regarding unlawful discrimination and harassment. Alleged conduct regarding sex-based discrimination and sex-based harassment will follow the complaint and investigation procedures specific to such conduct, as set forth in Regulation AC-R-2.

In keeping with these statements, the following are objectives of this school district:

1. To promote the rights and responsibilities of all individuals as set forth in the state and federal constitutions, pertinent legislation, and applicable judicial interpretations.
2. To encourage positive experiences in terms of human values for children and adults who have differing personal and family characteristics or who come from various socio-economic, racial, and ethnic groups.
3. To consider carefully, in all decisions made which affect the schools, the potential benefits or adverse consequences that those decisions might have on the human relations aspects of all segments of society.
4. To utilize educational experiences to build each individual’s pride in the community in which they live.
5. To initiate a process of reviewing all policies and practices of this school district in order to achieve the objectives of this policy to the greatest extent possible.
6. To investigate and resolve promptly any complaints of unlawful discrimination and

harassment.

7. To investigate and appropriately discipline staff and students found to be responsible for incidents of harassment or unlawful discrimination in violation of Board policy.

Annual notice and training

The district will issue a written notice prior to the beginning of each school year that advises students, parents, employees, and the general public that the educational programs, activities, and employment opportunities offered by the district are offered without regard to disability, race, creed, color, sex, sexual orientation, gender identity, gender expression, marital status, national origin, religion, ancestry, need for special education services, or other protected class. With respect to employment practices, the district will also issue written notice that it does not discriminate on the basis of age, genetic information, or conditions related to pregnancy or childbirth. The announcement will also include the name, address, email address, and telephone number of the person(s) designated to coordinate Title IX, Section 504, and ADA compliance activities.

The notice will be disseminated to persons with limited English language skills in the person's own language. It will also be made available to persons who are visually or hearing impaired.

The notice will appear on a continuing basis in all district media containing general information, including: teachers' guides, school publications, the district's website, recruitment materials, application forms, vacancy announcements, student handbooks, school program notices, summer program newsletters, and annual letters to parents. Training materials regarding sex-based discrimination and sex-based harassment will be available to the public on the district's website.

Students and district employees will receive periodic training related to recognizing, reporting, and preventing discrimination and harassment. District employees will receive additional training related to handling reports of discrimination and harassment. The training will comply with state law and include, but not be limited to, instruction on the following:

- Recognizing harassment or discrimination, including indicators of grooming and child sexual abuse.
- The appropriate immediate response when harassment or discrimination is reported to or witnessed by an employee.
- Reporting harassment or discrimination to the school or district.

Harassment is prohibited

Harassment based on a person's disability, race, creed, color, sex, sexual orientation, gender identity, gender expression, marital status, national origin, religion, ancestry, need for special education services, or other protected class, is a form of discrimination prohibited by state and federal law. Preventing and remedying such harassment in schools is essential to ensure a nondiscriminatory, safe environment in which students can learn, employees can work, and members of the public can access and receive the benefit of district facilities and programs. All such harassment by district employees, students, and third parties, is strictly prohibited.

All district employees and students share the responsibility to ensure that harassment does not occur at any district school, on any district property, at any district or school-sanctioned activity or event, or off school property when such conduct has a nexus to the school, or any district curricular or non-curricular activity or event.

Reporting unlawful discrimination and harassment

The district encourages any student, parent/guardian of a student, community member or employee who believes they have been a target of unlawful discrimination, harassment, or retaliation, as defined in Board policy and supporting regulations, or who has witnessed such unlawful discrimination, harassment, or retaliation to immediately report it to an administrator, counselor, teacher, or the district's compliance officer and file a complaint as set forth in the accompanying regulations.

Any applicant for employment, student, parent/guardian of a student, or member of the public who believes they have been a target of unlawful discrimination, harassment, or retaliation, or who has witnessed such unlawful discrimination, harassment, or retaliation, is encouraged to immediately file a complaint with the district's compliance officer.

Any employee who believes they have been a target of unlawful discrimination, harassment, or retaliation is encouraged to immediately file a complaint with either an immediate supervisor or the district's compliance officer, and any employee who has witnessed such unlawful discrimination, harassment, or retaliation must immediately file a complaint with either an immediate supervisor or the district's compliance officer.

If the individual alleged to have engaged in prohibited conduct is the person designated as the compliance officer, an alternate compliance officer will be designated to investigate the matter in accordance with this policy's accompanying regulation.

District action

All district employees who witness unlawful discrimination or harassment must take prompt and effective action to stop it, as prescribed by the district.

The district will take appropriate action to promptly and impartially investigate allegations of unlawful discrimination and harassment, to end unlawful behavior, to prevent the recurrence of such behavior, and to prevent retaliation against the individual(s) who files the complaint and/or any person who participates in the investigation. When appropriate, the district will take interim measures during the investigation to protect against further unlawful discrimination, harassment, or retaliation.

To the extent possible, all reports of unlawful discrimination and harassment will be kept confidential. Students or employees who knowingly file false complaints or give false statements in an investigation may be subject to discipline, up to and including suspension/expulsion for students and termination of employment. No student, employee, or member of the public may be subject to adverse treatment in retaliation for any good faith report of harassment under this policy.

Upon determining that incidents of unlawful discrimination or harassment are occurring in particular district settings or activities, the district will implement measures designed to remedy the problem in those areas or activities.

Any student or employee who engages in unlawful discrimination or harassment will be disciplined according to applicable Board policies and the district will take reasonable action to restore lost educational or employment opportunities to the target(s).

In cases involving potential criminal conduct, the district will determine whether appropriate law enforcement officials should be notified.
