MEMORANDUM

DATE: August 10, 2016
TO: Board of Education
FROM: Dr. Don Haddad, Superintendent of Schools
SUBJECT: Approval of Board of Education Meeting Minutes

RECOMMENDATION

That the Board of Education approve the minutes from the June Board Meetings.

BACKGROUND

The Board will be asked to approve the minutes from the June 8, 2016 Regular Meeting, the June 15, 2016 Study Session, and the June 22, 2016 Regular Meeting.

MEMORANDUM

DATE: August 10, 2016

TO: Board of Education

FROM: Dr. Don Haddad, Superintendent of Schools

SUBJECT: First Reading, Adoption, Board Exhibit JFABB-E – Admission of Non-Immigrant Foreign Exchange Students

RECOMMENDATION

For the Board of Education to adopt the revisions of Board Exhibit JFABB-E – Admission of Non-Immigrant Foreign Exchange Students.

BACKGROUND

Administration would like to add one new organization, World Link, to the list of organizations that may sponsor exchange students in the District. This organization will be on probation for the 2016-2017 school year, or the first year they sponsor a student in the District. After a successful review, this organization may move off of probation and on to the approved list.

Because of successful reviews with four organizations that have been on probationary status this past year, those have been moved to the approval list for 2016-2017.

Admission of Non-immigrant Foreign Exchange Students

The current list of approved organizations for placing students in the St. Vrain Valley high schools is as follows:

1. American Cultural Exchange Service
2. AFS (American Field Service)
3. Adventures in Real Communication
4. American Councils for International Education
5. American Institute for Foreign Study
6. American Intercultural Student Exchange
7. Amicus International Student Exchange
8. American International Youth Student Exchange Program (AIYSEP)
9. ASSE International Student Exchange (formerly American Scandinavian Student Exchange)
10. AYUSA International
11. Center for Cultural Interchange
12. Chino Exchange (Center for International Training)
13. Council for Educational Travel USA
14. Council on International Educational Exchanges
15. Cultural Homestay International
16. Education, Travel and Culture
17. Educational Merit Foundation
18. EF (Educational Foundation for Foreign Study)

St. Vrain Valley School District RE-1J, Longmont, Colorado

MEMORANDUM

DATE: August 10, 2016
TO: Board of Education
FROM: Dr. Don Haddad, Superintendent of Schools
SUBJECT: Approval of Joint Use Agreement with the Town of Erie

RECOMMENDATION

That the Board of Education approve the Joint Use Agreement (JUA) of Facilities between the Town of Erie and the St. Vrain Valley School District and further authorize the President of the Board of Education to sign contract documents.

BACKGROUND

The St. Vrain Valley School District negotiates Joint Use Agreements with the municipalities in which District facilities are located. Joint Use Agreements are intended to foster partnerships, cooperation and outline shared use of both town/city and District facilities and programs.

The JUA with the Town of Erie will be renewed in three years.

AGREEMENT FOR JOINT USE OF FACILITIES
BETWEEN THE TOWN OF ERIE AND
THE ST. VRAIN VALLEY SCHOOL DISTRICT RE-1J

This is a Joint Use Agreement made between the Town of Erie, a municipal corporation, hereinafter referred to as the ‘Town’, and the St. Vrain Valley School District RE-1J, duly organized and existing under the laws of the State of Colorado, hereinafter referred to as the ‘District’.

1. Recitals

The parties to this Agreement are owners of various facilities and equipment, which they will make available for use by the other, and deem it in the public interest to so agree. Accordingly, this Agreement is entered into for the purpose of reducing to writing the understanding under which the parties will allow their respective facilities and equipment to be used.

2. Philosophy

With the increasing cost of construction and development, the public agencies of a community are given the task of utilizing facilities in the most efficient manner possible. The availability of school facilities and the nature of many recreation programs and activities lead to a natural and beneficial union.

Cooperation between the Town and District should be developed in three distinct areas – the use of facilities, the delivery of programs and the planning of future development. Cooperation in the first two areas, use of facilities and delivery of programs, is essential and should be maintained on an ongoing basis and promoted as a forerunner for cooperative planning. Planning for future development will draw the two agencies into a union resulting in positive benefits to both.

3. Use of District Facilities by the Town

3.1 Maintenance

The District agrees to maintain and keep in usable condition certain school grounds and facilities set forth in Exhibit A attached hereto.

3.2 Availability

The District agrees to make available such school grounds and facilities when requested by the Town for the purposes of Town-sponsored activities in accordance with the completion of the **Contract For Community Use of School Facilities and Grounds** form. It is understood that no structural changes or additions to these properties may be made by the Town without the District’s advanced written permission.

Preparation and maintenance shall include but not be limited to: dragging the infield, adding Diamond Dry, Turface and/or infield mix as necessary, weeding and/or fertilizing, and chalking the batter's box and base lines. At its own expense, the District shall repair Town owned baseball and softball fields after each District sponsored baseball and softball game or practice. Repairs shall include but not be limited to: filling in holes at the batter's box and filling in holes at the pitcher's mound.

Field preparation and maintenance schedules will match baseball and softball programs starting and ending dates. In the event of overlapping seasons, preparation and maintenance responsibilities will be agreed upon between the high school coaches and the Programs Manager or designee.

c. The Town and District may share in the responsibility of providing tools, materials, and/or equipment that benefit both parties in maintaining and updating Town owned fields utilized for District sponsored baseball and softball practices and games. MEMORANDUM

DATE: August 10, 2016

TO: Board of Education

FROM: Dr. Don Haddad, Superintendent of Schools

SUBJECT: Approval of Waiver from Liability Insurance Requirement for the Frederick High School Education Foundation

RECOMMENDATION

That the Board of Education allow an exception to Board Policy KBE-R Organizational Options for Parent Organizations and, thereby, approve a waiver for the general liability insurance requirement for the Frederick High School Education Foundation.

BACKGROUND

Board Policy KBE-R, Organizational Options for Parent Organizations, states, "District insurance does not cover parent organizations organized as non-profit corporations. Furthermore, the District is not liable or responsible for loss of their property or money, or the decisions made by the non-profit corporation, its board, or its officers. The non-profit corporation is encouraged to investigate and purchase appropriate officer's liability insurance, property insurance, and crime insurance (fidelity bond), in addition to the general liability insurance required by the District." In rare situations, an organization may be unable to meet all of the outlined commitments and may appeal to the District's Finance and Audit Committee for a waiver from a particular requirement.

The Frederick High School Education Foundation appealed to the District's Finance and Audit Committee for a waiver from Board Policy KBE-R due to the fact that they do not use District facilities except for their meetings. The Finance and Audit Committee recommended that this waiver be reviewed by the District's legal counsel. Our attorney has reviewed and agreed with the waiver as presented.

At the June 8, 2016 Board Meeting, the Board approved the waivers from liability insurance requirements for the Longmont High School, Silver Creek High School and Skyline High School Education Foundations, and the Frederick High School Education Foundation was inadvertently omitted.

The administration and the Finance and Audit Committee recommend approval of this exception.

**AGREEMENT FOR WAIVER FROM INSURANCE REQUIREMENT
IN BOARD POLICY KBE-R**

It is mutually agreed by the ST. VRAIN VALLEY SCHOOL DISTRICT RE-1J (hereinafter referred to as "District") and **Frederick High School Education Foundation**, a 501(c)(3) non-profit corporation, (hereinafter referred to as "Foundation"), that the general liability insurance requirement stated in District Board Policy KBE-R (Organizational Options for Parent Organizations (POs)) is waived, subject to the following limitations:

1. Foundation use of District facilities will be limited to Foundation Board meetings, not to exceed 20 persons.
2. Foundation use of District facilities will be limited to the Frederick High School IMC (library) or, in the event of a scheduling conflict, an alternative area recommended by the District Facility Scheduler.
3. Foundation use shall be scheduled in advance of the meeting with the District Facility Scheduler (303-652-6310) in accordance with Board Policy/Regulation KF (Community Use of School Facilities).
4. The term of this Agreement shall be for the one year period from July 1, 2016 to June 30, 2017.
5. Nothing in this insurance requirement waiver should be construed as a waiver of any other section(s) of Board Policy/Regulation KBE/KBE-R.
6. Nothing in this Agreement shall be construed as a waiver by the District of any rights, immunities, privileges, monetary limitations to judgments, or defenses provided to the District by the Colorado Governmental Immunity Act, Sec. 24-10-101 et seq., C.R.S., as from time-to-time amended, or otherwise available to the School District, its officers, agents, volunteers, or employees.
7. Venue for any and all legal action arising out of this Agreement shall lie in the District Court in and for the County of Boulder, State of Colorado, and this Agreement shall be governed by the laws of Colorado.
8. The mutual promises herein shall be good and sufficient consideration for this Agreement although there are no actual funds exchanged between the District and Foundation.

This Agreement becomes effective on this ____ day of _____, 2016, and for the terms set forth above.

SUBJECT: Request for Approval for Red Hawk Elementary School to Accept, if Approved, the Colorado Health Foundation (TCHF) Integration of Physical Activity in the Classroom Grant

RECOMMENDATION

That the Board of Education authorize the administration to accept, if approved, funds over approximately \$215,000 for two years to help the District implement curriculum that promotes moderate to vigorous physical activity (MVPA) in the classroom.

BACKGROUND

The 2016 Colorado Health Foundation (TCHF) Integration of Physical Activity in the Classroom Grant expands the impact of MVPA movement in the classroom through collaboration with institutes of higher education and develops a college-level curriculum that universities subscribe to as a teaching pedagogy. Ultimately, we can affect what universities teach our educators, and will affect the environment and culture that integrates health and wellness equitably for students and staff state-wide.

Acceptance of these funds does not obligate District funds or personnel beyond the terms of the grant, nor does the District have to match funds.

MEMORANDUM

DATE: August 10, 2016

TO: Board of Education

FROM: Don Haddad, Superintendent of Schools

SUBJECT: Adoption of Resolution of Intent to Participate in the 2016 Coordinated Election

RECOMMENDATION

That the Board of Education submit a Bond Referendum Question on the 2016 Ballot in the amount of \$260.34 million to address the increase in enrollment, preserve capital assets, adapt educational space and enhance school security. Further, the Board directs the administration to work with bond counsel to bring proposed ballot language for action to the August 24, 2016 Board Meeting.

BACKGROUND

Because the District is averaging a growth rate of 800 students per year and projections continue that in the near future, it became necessary to consider a bond referendum to address the growth. A Planning Committee was formed in the Fall of 2015 to set and prioritize needs and finalize options. A Community Task Force met in the Spring and made a unanimous recommendation to the Board to request just under \$260 million in bonds from the voters to address the increase in enrollment, preserve capital assets, adapt educational space and enhance school security. Since that time, three additional charter school projects have been included to increase the total to \$260.34 million.

Parent groups from 29 schools and Grassroots St. Vrain have presented resolutions of support for a 2016 bond election.

Actual resolutions and proposed ballot language will be provided to the Board of Education prior to the August 24, 2016 Board Meeting.

RESOLUTION
Consideration of a 2016 Bond Question

WHEREAS, the District has been experiencing and expects a continuation of high growth (approximately 800 students per year); and

WHEREAS, a Community Task Force has unanimously recommended to the Board that the District request an increase in District debt of approximately \$260,000,000 to address capital needs and enhance security; and

WHEREAS, resolutions of support have been presented to the Board from 29 schools and Grassroots St. Vrain; and

WHEREAS, there is significant need across the District to upgrade facilities, build new facilities and expand others to meet the growing demand and enhance school safety.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF ST. VRAIN VALLEY SCHOOL DISTRICT RE-1J:

1. The Board of Education directs staff to draft ballot language aligned with the principles and recommendations set forth above.
2. The Board of Education intends to consider ballot language for the 2016 Bond at its August 24, 2016 Board Meeting and, if approved, submit the ballot question to the Counties by the deadline for ballot submissions for inclusion in the November 2016 ballot.

ADOPTED AND APPROVED on August 10, 2016.

MEMORANDUM

TO: Board of Education

FROM: Don Haddad, Superintendent of Schools

SUBJECT: Request for Approval to Make a Change to the 2016-2017 District Calendar

RECOMMENDATION

That the Board of Education approve a change to the 2016-2017 District Calendar.

BACKGROUND

Each year, all public school districts and facilities across Colorado participate in the student October Count data submission to the Colorado Department of Education. Typically, that day falls on October 1 of each year. This year, October 1 falls on a Saturday, so the Colorado Department of Education has designated Wednesday, October 5, 2016 as the official student count day.

In order to comply with a full day of instruction, as per state policy on October Count day, administration requests to change the District calendar so that October 5, 2016 is a full day instead of a late start day.

Board Policy IC/ICA School Year/School Calendar/Instruction Time states "Any change in the calendar except for emergency closings or other unforeseen circumstances shall be preceded by adequate and timely notice of no less than 30 days." Having approval by the Board on August 10, 2016 more than satisfies that policy rule so that the District is able to communicate that change to parents and students.

TO: Board of Education
FROM: Dr. Don Haddad, Superintendent of Schools
SUBJECT: Approval of Contract Amendment for Internet Service

RECOMMENDATION

That the Board of Education approve a contract amendment with Zayo Group, LLC., for internet services pending successful contract negotiation, and further authorize Greg Fieth, Chief Financial Officer, to sign all necessary documents. The estimated value of the contract will not exceed \$153,600.00.

BACKGROUND

The Purchasing Department and District Technology Services (DTS) issued Invitation to Bid (ITB) #2014-008 for Internet Service Providers. As a result of this process, the District entered into a multi-year contract with Eagle-Net Alliance, LLC. The District is currently entering into the third and final renewal option on this contract.

On November 30, 2015 the Zayo Group, LLC, assumed the responsibility of the contract and managing the District's internet services. With this transition, District staff has capitalized on reduced service rates resulting in approximately \$55,280.00 savings over the final term of the contract.
