Login Process – Evaluators and Employees

The screenshot shows the St. Vrain Department of Human Resources website. The header includes the St. Vrain logo and the text "DEPARTMENT OF HUMAN RESOURCES". Below the header, there are three navigation links: "Employee Login", "Forms", and "HR Admin Login". A red arrow points to the "Employee Login" link. The main content area is titled "Employee Evaluations" and contains the following text:

The Evaluation is based on the premise that all employees have a commitment and responsibility to continued improvement in their performance. The purpose of the evaluation is to improve employees' job performance, skill, and expertise through a systematic and constructive evaluation system which:

- Provides an opportunity for the supervisor and the employee to mutually develop performance goals.
- Helps the supervisor in determining areas for improvement and assist in correcting deficiencies.

The immediate supervisor of the employee is the primary evaluator. For school-based staff, when the primary evaluator is not the principal, the supervisor must consult with or inform the principal on all evaluations.
