Social/Emotional Support	Having access to the Gifted & Talented site leader. If more support is needed there is an interventionist (Marth Woodyard) to give further supports or interventions.
Classroom Differentiation and Extensions	Depth and Complexity in any course work. STEM, VPA, and P-TECH have these in each of the different courses. P-TECH has internships and mentoring with IBM employees.

	Students have free movement to take any course that they want and are encouraged to take at least 1 AP course during their time at Skyline.
Other	The biggest thing about Skyline is given access to students to so many different programs or academies. If a student does not want to go down the STEM, VPA, or P-TECH there is also the Honor's certificate by taking an amount of AP and Honors course. There is also AP Capstone offered at Skyline and students can complete the AP Capstone certificate and seminar. There is something at Skyline for everyone!
