

Parking Lot Searches

The privilege of bringing a student-operated motor vehicle on to school property is conditioned on consent by the student driver to allow search of the vehicle when there is reasonable grounds for such a search.

Refusal by a student, parent/guardian or owner of the vehicle to allow access to a motor vehicle on school property at the time of a request to search the vehicle shall be cause for termination, without further hearing, of the privilege of bringing the vehicle onto school property. Refusal to submit to search may also result in disciplinary action and notification of law enforcement.

The principal, or designee, may request a law enforcement officer to search a motor vehicle on school premises subject to the provisions of the policy on student interrogations, searches and arrests.
