

Student Organizations – Open Forum

In addition to clubs and groups related to the curriculum, students in middle and high schools in this district shall be permitted to organize and conduct meetings of non-curriculum related student clubs or other groups to pursue specialized activities outside the classroom. Such groups shall not be considered school-sponsored student organizations nor be given all the privileges afforded to school-sponsored organizations.

Students may conduct meetings under this policy on school premises only during non-instructional time so that meetings do not interfere with the orderly conduct of the educational activities of the school. For purposes of this policy, “non-instructional time” means time set aside by each school before actual classroom instruction begins or after actual classroom instruction ends. Lunch period is considered “non-instructional time.” Meetings of non-curricular student groups must be scheduled, organized and conducted within the guidelines established by this policy and accompanying regulation.

Requests for permission to conduct a non-curricular student meeting on campus must originate from a student or groups of students. Persons not attending school in this district, parents, school personnel or any other non-school persons are prohibited from directing, conducting, controlling or regularly attending the activities of a non-curricular student group.

The building administration shall develop general guidelines and rules so that students will be informed about the procedure for scheduling meetings and activities, the hours available for meetings, and the facilities available for meeting space. Students must request permission for a meeting of a non-curriculum related group from the principal and submit all scheduling requests to the principal for approval.

Students shall be responsible for ensuring the presence of a faculty monitor prior to every meeting. Under no circumstances shall the school compel a faculty member or school employee to monitor or attend a meeting of a non-curricular student group if the content of the speech at the meeting is contrary to the beliefs of the school employee.

All non-curricular student groups meeting on school premises are required to open membership to all interested and/or eligible students. Fraternities, sororities and/or secret societies shall not receive recognition in any manner under this policy. Attendance at all meetings must be voluntary.

All forms of hazing shall be prohibited in any group meeting on school premises. No initiation shall be held for any non-curricular student group which will be degrading and/or harmful to the student, or is unlawful.

The school district, through the building principal, retains the authority to prohibit meetings which otherwise would be unlawful. Disruptive behavior or continued violation of Board policies or regulations could result in suspension of permission to use school facilities.

Further, nothing in this policy shall be construed to limit the authority of the school to maintain discipline on school premises, to protect the well-being of students and faculty and to ensure that attendance at meetings is voluntary. Neither shall anything in this policy be used to imply that the school is sponsoring a non-curricular student group. No public funding or support shall be extended to non-curricular student groups other than an opportunity to meet on school premises.

In providing equal access to school facilities for all non-curricular groups, the district is not expressing any opinion or approval of the subject matter discussed at any meeting nor is it advocating or supporting in any manner the point of view expressed by any student or group meeting as allowed by this policy.
