

## Visitors to Schools

The district will make reasonable efforts to accommodate requests to visit the district's schools, yet also recognizes concerns for the welfare of students. Therefore, the district limits visitors to:

1. Parents/guardians of current students;
2. Other family members of current students who are approved by the student's parent/guardian; and
3. Board members and other persons invited by the district for official business purposes.

To ensure visitors do not disrupt the educational process or other school operations and that no unauthorized persons enter schools, all visitors must report to the school office immediately when entering a school. Visitors may be asked to show proper identification and the reason for being at school. Authorized visitors will: (1) be required to sign in and out; (2) be given name-tags to wear identifying themselves as visitors; and (3) may be accompanied by a district employee for some or all of the visit. School administrators may approve additional building procedures pertaining to school visitors to preserve a proper and safe learning environment.

Unauthorized persons may not loiter on school property at any time. Law enforcement authorities may be called to enforce this policy provision.

Visiting schools is a privilege, not a right, which may be limited, denied, or revoked by a school administrator or designee based on considerations of student and/or staff health, safety, efficient school operations, maintenance of a proper educational environment, or failure to comply with this policy.
