

LAUNCH INTO SUMMER!

Stay engaged with St. Vrain Valley Schools throughout the summer with these incredible opportunities for student learning and fun.

Community Schools Summer Camps

Community Schools Summer Camps enrich the lives of children in safe and welcoming environments while supporting them to realize their highest potential. Summer Camp offers children new friendships, confidence, independence, and a sense of belonging in a safe, structured environment. Staff offer enrichment and recreation activities to support a well-rounded experience.

Innovation Center SuperSTEM Camps

Innovation Center SuperSTEM Camps offer innovative, hands-on learning experiences that engage and challenge students while incorporating human-centered design thinking. Camps are taught primarily by student designers and teachers from the Innovation Center, and offer a wide-range of fun STEAM (science, technology, engineering, art, and mathematics) activities – including coding, design, robotics, drones and flight, cybersecurity, and artificial intelligence.

Program Features

- For ages 9 – 12 and ages 13 – 17
- Camps are offered throughout June and July
- 1-day, 3-day, and 5-day camp experiences
- Located at the Innovation Center of St. Vrain Valley Schools

Registration

Registration is open. Register online at innovation.svvsd.org/summercamps

Cost: \$50 – \$200

Innovation Center Summer Classes for High School Students

The Innovation Center is offering extended for-credit learning opportunities to high school students this summer. Students can explore the various pathways available to them at the Innovation Center. Course options offer a hands-on introduction to various fields including augmented and virtual reality technologies, cybersecurity, design, information technology, and robotics.

Program Features

- For grades 9 – 12
- Six course options
- Located at the Innovation Center of St. Vrain Valley Schools

Registration

Official course list and registration information is available April 15, 2021. Learn more about summer classes at innovation.svvsd.org/summerclasses
