Hi, Hadley Edwards!

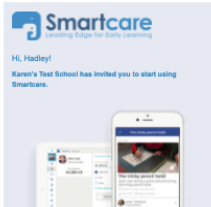

We just wanted to let you know that **Emily Edwards has been successfully enrolled in Karen's Test School.**

If you haven't already received access, please ask your center to invite you to start using the **Smartcare for Parents** app so you can manage your child's attendance, billing and notifications, all in one place.

Please contact Karen's Test School directly if you have any questions.

Thank you,
Smartcare

To complete your account set up that will enable you to login to your account via the SmartCare Web Portal OR Parent App, you must set a password for your account. An email will be sent to you once you submit your application to set your password:

Smartcare benefits

Our parent app offers:

- Photos and updates throughout the day
- Communication with your child's teacher
- Signing in and out is a breeze
- Easy pay with autopay or electronic payments

[Click here to get started](#)

Stay up-to-date

With the Smartcare parent app, you can receive photos, meal notifications, and other change updates in real-time. You can also communicate directly with your child's teacher through Timeline Events. We keep you connected to your child's daily life.

Faster sign-in and sign-out

Sign your child in and out from your phone with a personal QR code. Can't get your child's badge? Send a walk-in or authorization/paper directly from the app.

Save time (and paper) with autopay

We give parents one less thing to worry about with automatic payments. Never worry about a bill again. You can quickly and easily pay from the parent app or the online parent portal.

Get the app

Go to either the Google Play or the iOS App Store to install the Smartcare for Parents app on your mobile device. Your email address will be your login to the app as well as the Parent web app: my.smartcare.com.
