FROM: Dr. Don Haddad, Superintendent of Schools

SUBJECT: Second Reading and Approval of Board Policies JEB (Entrance Age Requirements), and JLCB (Immunization of Students)
Strategic Priority – Portfolio of 21st-Century Instructional Focus Schools
and Robust Co-Curricular Opportunities

RECOMMENDATION

For the Board of Education to adopt updates to Board Policies JEB (Entrance Age Requirements), and JLCB (Immunization of Students).

BACKGROUND

Board policy JEB needs to be updated to clarify the entrance ages for kindergartners and first graders.

Board policy JLCB needs to be updated to conform with recent changes to Colorado law.

Entrance Age Requirements

A child may enter kindergarten if they are five years old on or before October 1 of the year of enrollment. A child may enter kindergarten or enroll in the first grade if they are five years old on or before October 1 of the year of enrollment. Younger students who do not meet the district's entrance age requirement for kindergarten may be accepted if transferring from another kindergarten program, if the principal or designee determines that placement of the student in kindergarten is appropriate. A child who is four years old on or before the district's start date for kindergarten and has been identified as a highly advanced gifted student in accordance with applicable state law may enroll in kindergarten, if through the district's early access screening process it is determined that placement of the student in kindergarten is appropriate.
