NEW!

Voluntary Life Insurance

During this year's annual enrollment period, eligible employees can increase their voluntary life insurance coverage up to a new guarantee issue cap of \$250,000 (the previous limit was \$100,000). You will be able to increase your coverage without providing Proof of Good Health even if you have previously waived voluntary life coverage or were previously denied coverage due to a pre-existing health condition.

What's New for 2022

Premiums

Medical

UMR

Premiums for all coverage tiers under both UMR health plans will remain stable for 2022. Effective January 1, the district will partner with PrudentRX to reduce the out-of-pocket amount individuals pay for specialty medications on the UMR health plans. Individuals who are eligible for the PrudentRX program will be notified, in advance, by mail, if they are impacted by the change and will see potential cost increases if they opt not to participate in the program. UMR enrollees will receive new ID cards for 2022.

Kaiser Permanente (KP)

Premiums for the Employee Only coverage tier under the Kaiser Permanente program will remain stable for 2022 and dependent tiers will decrease by 5% (last year, KP family tiers experienced a 5% increase). Individuals on the KP health plan will see a few minor plan changes surrounding video ABA visits, coverage for Narcan and the ability to use drug manufacturer coupons to reduce their cost share for certain covered drugs. Only KP enrollees who make a coverage change will receive new ID cards for 2022.

Dental

The Delta Dental Value Plan will have no plan changes for 2022. Employee premium rates will remain level or decrease between \$.63 and \$1.63/month for 2022.

Employees enrolled in the Delta Dental Classic Plan will see an increase in their orthodontia maximum from \$1,000 to \$1,500. As a result of the benefit increase, employee premiums for individuals in the Classic Plan will increase between \$.61 and \$.79/month.

Flexible Spending Accounts (FSAs)

For plan years 2020 and 2021, as a result of the COVID pandemic, plan sponsors, including the district, were allowed to temporarily extend both the Health Care and Dependent Care FSA grace periods from 2.5 months (March 15) to 12 months (December 31) following the end of the plan year. Effective January 1, 2022, the grace period will revert to pre-pandemic rules, which means if you enroll in one or both of the district's FSAs for 2022, your expenses must be incurred and submitted for reimbursement no later than March 15, 2023. Please enroll accordingly.

Choose the Plan That's Right for You

UMR Choice Plus Plan

The self-insured UMR Choice Plus Plan is a Preferred Provider Organization (PPO) Plan that offers a large network of contracted doctors, hospitals and other providers to choose from whenever care is needed. The Plan is administered through UMR. When you enroll in this Plan, the district will contribute funds to a Health Reimbursement Account (HRA) to assist in paying a portion of your upfront deductible. Some in-network care is subject to a copay (if you visit a Premium Designated Provider), and some care is subject to an upfront deductible and coinsurance (if you visit a Choice Plus PPO Provider).

UMR Direct Care Plan

The Direct Care Plan offers insured employees and dependents unlimited, no-cost primary care, same- and next-day appointments and extended one-on-one time with physicians when you visit a Nextera Healthcare Network provider. Additionally, the Direct Care Plan features low copays when you visit in-network doctors, ER, Urgent Care, labs and imaging services, through the nationwide United Healthcare Choice Plus PPO or Premium Designated Provider network, making it easier to predict your out-of-pocket costs.

Kaiser Permanente (DHMO) Plan

The district offers a Deductible Health Maintenance Organization (DHMO) Plan through Kaiser Permanente that offers a low upfront deductible and copays when care is received through Kaiser Permanente doctors, partner hospitals and other health care facilities. (Out-of-network coverage is only available in urgent care and emergency situations where you become injured or unexpectedly ill while outside the service area.)

UMR Health Plan Extras

Zero Card

Zero Card is available to participants in both UMR Plan options at no additional premium cost. Through Zero Card, when you or your covered family members use a contracted Zero Card provider for a covered service, you pay **zero dollars** – no copays, deductibles or coinsurance – for dozens of covered services including physical therapy, sleep studies, surgeries, orthopedics, labs, X-rays and advanced imaging (such as CT, MRI and ultrasounds) and more. Enrollment is automatic when you enroll in the UMR Choice Plus or Direct Care plans.

Alight Solutions Offers Concierge Services

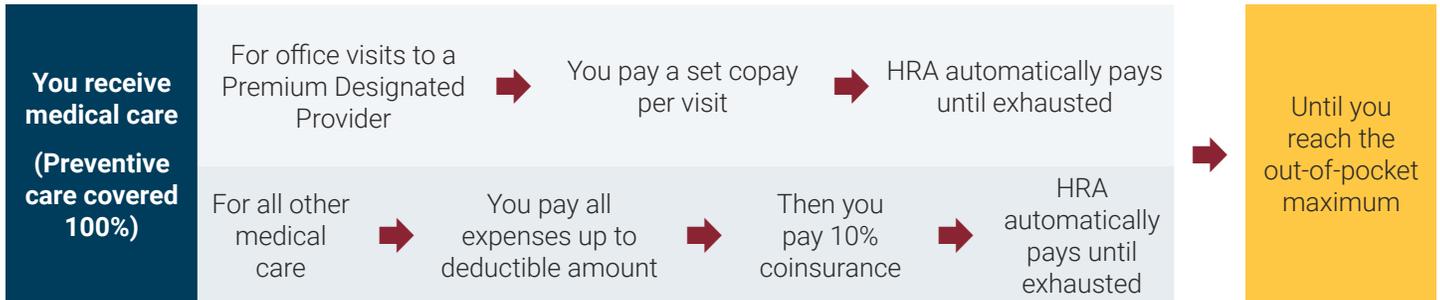

- » Alight Solutions can help individuals save money by locating high-quality providers who are part of the district's preferred provider networks including Zero Card, Choice Plus PPO, the UMR Premium Designated Providers and, for those of you in the UMR Direct Care Plan – Nextera Primary Care providers.
- » Need to pick a new doctor, transfer your medical records or schedule an appointment?
- » Need an MRI, lab tests or medical procedure?
- » Got a medical bill and can't make heads or tails of it?
- » Your Alight health pro can help with all of these and more!

UMR Choice Plus Plan with HRA

The amount you pay for services when you enroll in the UMR Choice Plus plan depends on where you receive your care:

UnitedHealthcare Choice Plus PPO Network

- » You are responsible for a copay or you pay a \$2,000 individual or \$4,000 family deductible plus 10% coinsurance for in-network care — depending on whether the provider is a Premium Designated Provider or simply participates in the Choice Plus PPO network.

Out-of-Network Care

- » You pay a \$4,000 individual or \$8,000 family deductible and 50% coinsurance for out-of-network care

Under the Direct Care PPO plan, you have three options for receiving care and what you pay for services depends on where you receive them. Your in-network options include:

- » \$30 copay (not subject to deductible) for specialty care

Using Your HRA (Choice Plus Plan Only)

The district contributes to a Health Reimbursement Account (HRA) for each employee who enrolls in the Choice Plus HRA Health Plan. You can use HRA money to pay for eligible medical expenses for you and your covered dependents. Employees cannot contribute into the HRA and HRA payments are not taxed to you upon distribution.

Use Your HRA

Your HRA helps you cover your copays and deductible. St. Vrain contributes up to \$750 (employee only) or \$1,500 (dependent or family coverage) annually to your HRA. Unused funds from your HRA roll over to the next year, but your fund balance cannot exceed \$2,000 for individual coverage or \$4,000 if you cover your dependent(s).

Pay for Your Other Medical Expenses

You pay for additional medical expenses as you incur them until your annual deductible is met or your HRA is depleted, whichever comes first. Your deductible amount depends on your coverage tier.

Please note: Funds available for reimbursement are limited to the balance in your HRA.

How the Plan Works

John enrolls his family of three in the UMR Choice Plus HRA Plan. John receives a \$1,500 contribution from the district for the 2022 Plan Year. He has a \$2,000 annual individual deductible and a \$4,000 annual family deductible.

Dental

Your dental health is an important part of your overall wellness. When you enroll in either of the district’s Delta Dental plans, you may visit any dentist you choose, but in-network providers offer larger discounts, will write off amounts that exceed the Delta Dental contracted rates and can file your claims for you. If you prefer to see an out-of-network provider, keep in mind that since they are not under a contract, they may charge you for any amount billed in excess of the negotiated discounted rate.

Flexible Spending Accounts (FSA)

Flexible Spending Accounts (FSAs) allow you to pay for eligible health care and dependent care expenses using tax-free dollars. The money you contribute into an FSA is taken from your pay before your taxes are calculated which decreases your taxable income and increases your take-home pay. **There are two types of FSAs – the Health Care FSA and the Dependent Care FSA:**

Health Care FSA

Used to pay for a variety of medical, dental, and vision expenses for you, your spouse and your dependents, including copays, coinsurance, deductibles, prescription expenses, lab exams and tests, contact lenses and eyeglasses even if your dependents aren't covered on the district's medical plans.

Dependent Care FSA

Used to pay for day care expenses associated with caring for elder or child dependents that are necessary for you or your spouse to work or attend school full-time. **You cannot use your Health Care FSA to pay for Dependent Care expenses.**

Health Care FSA	vs	Dependent Care FSA
Contribute up to \$2,750 per year, pre-tax.		Contribute up to \$5,000 per year, pre-tax, or \$2,500 if married and filing separate tax returns.
Receive a debit card to pay for eligible medical expenses or submit claims and be reimbursed.		You must submit claims and be reimbursed (funds must be available in your account) if you enroll in this FSA; no debit cards are provided.
Eligible expenses include medical copays, coinsurance, deductibles, eyeglasses, over-the-counter medications prescribed by your doctor and more.		Can only be used to pay for eligible dependent care expenses including day care, after-school programs (for a child under the age of 13) and elder care programs.
Under the Plan's grace period, you may incur eligible expenses between January 1 of the current plan year and March 15 of the following year. Claims must be submitted by March 31 of the following year, or remaining funds will be forfeited.		Under the Plan's grace period, you may incur eligible expenses between January 1 of the current plan year and March 15 of the following year. If you do not submit claims by March 31 , unused dollars will be forfeited per IRS regulations for pre-tax contributions.		If you do not submit claims by March 31 , unused dollars will be forfeited per IRS regulations for pre-tax contributions.

***IMPORTANT NOTICE** - For plan years 2020 and 2021, the IRS temporarily extended the grace period to end on December 31 following the plan year. Effective in 2022, the maximum grace period is reverting back to pre-pandemic rules, as reflected above.

Life and Accidental Death & Dismemberment (AD&D) Insurance

It's important to give some serious thought to what expenses and income needs your dependents would have if something happened to you. To make sure you have financial protection, the district offers several different types of Life and AD&D insurance through The Hartford.

Basic Life insurance. This coverage is provided to regular status employees who work at least 10 hours per week. You are automatically enrolled at no cost to you even if you don't elect medical coverage.

AD&D insurance is provided as part of your Basic Life coverage and provides you specified benefits for a covered accidental bodily injury that directly causes dismemberment (i.e., the loss of a hand, foot or eye). In the event that death occurs from an accident, 100% of the AD&D benefit would be payable to your beneficiary(ies).

Coverage Level	Coverage Amount
Employee	\$40,000 (APT coverage is \$150,000) - Benefits reduce by 35% at age 70, 55% at age 75 and 70% at age 80.

Voluntary Life Coverage

Voluntary Life insurance for you, your spouse and children can help protect your family during times of loss. This coverage is provided to regular status employees who work at least 17.5 hours per week. If you purchase additional life insurance for yourself, you may also purchase coverage for your spouse and dependent children.

Coverage For	Coverage Available	Guaranteed Issue
Employee	Increments of \$10,000 up to a maximum of \$500,000	\$250,000
Spouse	Increments of \$5,000 up to \$250,000 – not to exceed 50% of Employee coverage	\$50,000
Child(ren)	Increments of \$2,000 to a maximum of \$10,000. \$1,000 for children 2 weeks to 6 months	\$10,000 (ages 6 months through age 25) \$1,000 (ages 2 weeks through 6 months)

Age	Monthly Employee/Spouse Rate per \$1,000
< 25	\$0.033
25–29	\$0.033
30–34	\$0.039
35–39	\$0.060
40–44	\$0.108
45–49	\$0.154
50–54	\$0.235
55–59	\$0.374
60–64	\$0.612
65–69	\$1.007
70–74	\$1.623
75–79	\$2.894
Child Rate	\$0.05

Calculate Your Cost

To calculate your cost for coverage, take your desired insurance amount divided by 1,000 and multiply by your age banded rate which equals the monthly premium.

EXAMPLE:

43 year old wanting \$50,000 of life insurance.

$$\$50,000/1,000 = 50 \times \$0.108 = \$5.40 \text{ month}$$

Additional Benefits from The Hartford

(available at no-cost to employees covered under the district-provided Basic Life Insurance)

Ability Assist Counseling Services

We all experience everyday issues like job and relationship pressures, and some of us experience highly-impactful issues like grief, loss or disability. That's why The Hartford has partnered with ComPsych to offer their Ability Assist Counseling Services. **The Ability Assist EAP program includes up to 3 face-to-face emotional or work-life counseling sessions per occurrence, per year, to all SVVSD employees who are covered on the district's Basic Life plan.** For access, via phone, call 1-800-964-3577. Your Web ID is: **HLF902** and in the Company Name field, enter **ABILI**.

Because both the district's EAP program and The Hartford's EAP program are operated by ComPsych, you should utilize the district's EAP plan first and then, if you require additional sessions, you should reach out to the Ability Assist folks to inquire about additional sessions through their program.

Funeral Planning and Concierge Services

Making hard decisions at a time of loss can be overwhelming. The Hartford's Funeral and Concierge online service can help guide you through key decisions before a loss, including help comparing funeral-related costs. After a loss, this service includes family advocacy and professional negotiation of funeral prices with local providers, often resulting in significant financial savings. As a covered employee under The Hartford's Group Life policy, you and family members have access to all the tools and resources available under the Life Conversations program. Learn more by calling 1-866-854-5429 or by visiting www.everestfuneral.com/hartford. When prompted, use the code: HFEVLC.

Identity Theft Protection

Unfortunately, identity theft is on the rise. But identity theft protection provided through The Hartford can help outsmart these criminals, preventing fraud, detecting fraudulent activity on a daily basis, and resolving identity theft issues you may face. Protection is provided two ways: educational materials to help prevent identity theft; and access to caseworkers who can help you resolve problems that result from identity theft. Services are available to you, your spouse and dependent children through age 25. To access services, call 1-800-243-6108 or 1-202-828-5885 if you are outside the U.S.

Estate Guidance Will Services

Whether you have simple or complex legal needs, this program, offered by The Hartford, provides access to attorneys for estate planning and will preparation. Services include online will preparation, online assistance from licensed attorneys, and additional estate planning services available for purchase. Visit estateguidance.com/wills and use the code: WILLHLF.

Travel Assistance Program

If you're looking for peace of mind while traveling, consider the Travel Assistance program offered through The Hartford. It offers toll-free emergency assistance to you, your spouse and your dependents 24 hours a day, seven days a week when you're traveling 100 miles or more from your primary home for 90 days or less. The program can assist with pre-trip planning, medical referrals and evacuations during travel. For assistance, call 1-800-243-6108 or 1-202-828-5885 (collect) if you are outside the U.S.

Beneficiary Counseling Services

The Hartford's Beneficiary Counseling Program is a free service available to assist your beneficiary in coping with the emotional, financial, and legal issues that can arise after a loss or in the event of a terminal illness. This service includes unlimited phone contact with a counselor, attorney, or financial Planner for up to a year and up to five face-to-face sessions.

On a confidential basis, you have access 24 hours a day, seven days a week at 1-800-411-7239 to:

- » Loss counseling;
- » Financial professionals; and
- » Legal professionals.

Income Protection

If you have a serious injury or illness that keeps you from working, how would you pay your bills? Disability insurance replaces a portion of your income when you are unable to work due to a qualified illness or non-work-related injury.

Voluntary Short-Term Disability (STD)

Pregnancy, a scheduled surgery or an unplanned illness or injury could keep you off the job and without income for an extended period of time. STD can protect part of your paycheck should you become disabled.

This voluntary, employee-paid benefit through The Hartford is available to eligible Certified, Classified and Professional/ Technical employees who work 17.5 hours per week or more. It replaces 60% of your salary, to a **maximum of \$1,500 per week**, if you can't work due to a covered non-work-related accident or illness.

Benefits begin on the 15th day of your disability and continue during the period of your disability (maximum 24 weeks). **Because you pay the full premium cost with after-tax dollars, your disability benefit is not treated as taxable income.**

The district does not administer the program other than withholding the monthly premium for your coverage from your paycheck. Coverage and process questions should be directed to The Hartford at 1-800-549-6514. If you do not enroll during your initial eligibility period, and decide to enroll at a later date, you are not covered by STD until the district receives notification that you have completed Evidence of Insurability (EOI) requirements and are approved for coverage by The Hartford. If required, late entrants are responsible for the cost of a physical exam or other costs incurred as part of the late application process.

Calculate Your Cost

- » Take your annual salary
- » Divide by 52 (weeks in a year)
- » Multiply by 60% (weekly benefits)
- » Divide by \$10
- » Multiply by your age-banded rate
- » This is your monthly premium

EXAMPLE:

32 year old, making \$40,000/year.

$$\begin{aligned}
 &\$40,000 / 52 \text{ weeks per year} = \$769.23 \times 60\% = \\
 &\$461.54 / \$10 = \$46.15 \times \$0.62 = \mathbf{\$28.62 \text{ month}}
 \end{aligned}$$

Sick Leave Bank

Classified, Professional/Technical, and Certified employees are eligible to participate in one of two voluntary Sick Leave Banks that allow employees to donate a portion of their paid leave balance into a Sick Leave Bank to assist other participating employees.

This program provides salary and benefits continuation for eligible employees in the event of a personal extended illness or injury which renders the member incapable of working. Eligible employees may join as a newly hired employee or during Benefits Open Enrollment with contribution(s) from their paid leave hours in the amount equal to the number of hours worked per day.

Refer to the applicable handbook for information regarding how to access the Sick Leave Bank. All Sick Leave Bank requests will be reviewed by a board and are not subject to grievance procedures. **You are not eligible to apply for Sick Leave Bank hours while on worker's compensation or PERA Short-Term Disability.**

Coverage and claims questions should be directed to PERA at 1-800-759-7372.

Planning for Retirement

Pension Fund (PERA)

Instead of paying into Social Security, St. Vrain employees participate in the Colorado Public Employees' Retirement Association (PERA) defined benefit pension fund. You contribute a mandatory 10.5% of your monthly gross salary into PERA and the district contributes an amount equivalent to 20.9% of your gross salary to help fund the PERA system.

You are not directly entitled to these contributions, but they do indirectly benefit you by helping to fund a lifetime benefit for current and future PERA retirees. After working five years under PERA covered employment, you become vested in the pension Plan and are eligible to receive retirement payments once you reach retirement age.

Retirement benefits are determined based on age and service. For additional information, contact PERA at 1-800-759-7372 or online at www.copera.org.

PERAPlus Optional Retirement Plans

The PERA pension fund provides a strong financial foundation, but may not be enough to meet all your retirement income needs, so the district offers several ways to save additional amounts towards retirement:

- » PERAPlus 401(k) Plan
- » PERAPlus 457(b) Plan
- » PERA Roth Option

The 401(k) and 457(b) Plans allow you to save additional amounts up to the IRS deferral limit on a pre-tax basis (plus catch up contributions if you are age 50 or older) to invest and save for retirement. Roth contributions are taxed before your money is contributed to the Plan. Earnings and qualified distributions are not taxed.

For more information, please contact PERA at 1-800-759-7372 or online at www.copera.org.

Focus on Wellness

We are committed to helping you prevent illnesses and achieve wellness. Did you know that your district medical Plans pay 100% of the cost for preventive care? This means you and your dependents receive recommended preventive services like immunizations and screenings at no cost to you.

What Is Preventive Care?

Preventive care includes services that help you stay healthy, including:

- » Vaccines that protect your health by preventing diseases and other problems
- » Screenings to check for diseases early when they may be easier to treat
- » Education to help you make health decisions

It's important to note that all EAP conversations are voluntary and strictly confidential. In addition, there's never a cost to you when you contact an EAP counselor; the district pays the full cost **for up to 6 visits per episode.***

However, if you and your counselor determine that additional assistance is needed, you'll be referred to the most appropriate and affordable resource available. Although you're responsible for the cost of referrals, these costs are often covered under your medical Plan.

*Refer to page 15 to see if you qualify for an additional 3 EAP visits through the Ability Assist Program.

Employee Assistance Program (EAP)

Guidance Resources, the district's Employee Assistance Program, provides support, resources and information for personal and work life issues. Additionally, the program offers you and your eligible family members access to licensed counselors who can help with the following:

- » Stress
- » Marital or family problems
- » Anxiety and depression
- » Substance abuse (alcohol and/or drugs)
- » Financial issues
- » Child care issues – including identifying schools, day care, tutors, and more
- » Aging parents
- » Pet care
- » Maintenance and repair providers
- » Community volunteer opportunities

Through the district-paid EAP, you and your family can receive immediate support and guidance, as well as assessments and referrals for further services.

Benefit Costs

St. Vrain Valley School District pays the full cost of some of your benefits, but other benefits require you to pay all or a portion of the monthly plan premiums. Unless you elect differently, most monthly premiums will be deducted from your paycheck on a pre-tax basis.
