

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>www.umr.com</u> or by calling 1-844-212-1134. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.umr.com</u> or call 844-212-1134 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	<ul> <li>\$2,000 person / \$4,000 family In-network</li> <li>\$4,000 person / \$8,000 family Out-of-network</li> <li>An employer HRA contribution of \$750 person / \$1,500 family is available to reduce the out-of-pocket expenses</li> </ul>	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. Some copays and <u>Preventive care</u> services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> <u>services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u>
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <u>out–of–pocket</u> limit for this <u>plan</u> ?	\$4,000 person / \$8,000 family In-network \$8,000 person / \$16,000 family Out-of-network	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Penalties, <u>premiums</u> , <u>balance billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>www.umr.com</u> or call 1-844-212-1134 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network</u> <u>provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (a <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.

Additional cost-saving programs may be available to plan participants that are not described in this document. Contact your employer for additional details.

Do you need a <u>referral</u> to	No.	You can see the specialist you choose without a referral.

All <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.

### PrudentRx Program Additional Information

Copay assistance is a process in which drug manufacturers provide financial support to patients by covering all or most of the patient cost share for select medications - in particular, specialty medications. The PrudentRx Copay Program will assist members in obtaining copay assistance from drug manufacturers to reduce a member's cost share for eligible medications thereby reducing out-of-pocket expenses. Participation in the program requires certain data to be shared with the administrators of these copay assistance programs, but please be assured that this is done in compliance with HIPAA.

If you currently take one or more medications included in the PrudentRx Program Drug List, you will receive a welcome letter and phone call from PrudentRx that provides specific information about the program as it pertains to your medication. All eligible members are enrolled in the PrudentRx program via an easy twostep process: 1) The first step of enrollment is already complete as your member information is on file with PrudentRx and 2) You need to call PrudentRx at 1-800-578-4403 within the next 5 days to register for any copay assistance available from drug manufacturers. You can choose to opt out of the program and you must call 1-800-578-4403 to opt-out. Some manufacturers require you to sign up to take advantage of the copay assistance that they provide for their medications – in that case, you must speak to someone at PrudentRx at 1-800-578-4403 to provide any additional information needed to enroll in the copay program. PrudentRx will also contact you if you are required to enroll in the copay assistance for any medication that you take. If you do not return their call, choose to opt-out of the program, or if you do not affirmatively enroll in any copay assistance as required by a manufacturer you will be responsible for the full amount of the 30% co-insurance on specialty medications that are eligible for the PrudentRx program. If you or a covered family member are not currently taking, but will start a new medication covered under the PrudentRx Copay Program, you can reach out to PrudentRx or they will proactively contact you so that you can take full advantage of the PrudentRx program. The PrudentRx Program Drug List may be updated periodically by the Plan.

Copayments for these medications, whether made by you, your plan, or a manufacturer's copay assistance program, will not count toward your plan deductible. Because certain specialty medications do not qualify as "essential health benefits" under the Affordable Care -To see examples of how this plan might cover costs for a sample medical situation, see the next page.-
