School Focus

Central Elementary is an International Baccalaureate Primary Years Programme (IB PYP) school. The IB PYP uses student interest to study topics that are of importance in the world in which we live. At an IB World School, students build on previous knowledge, develop an understanding of their world, take action, and reflect on their learning. At each grade level students learn about the 6 Transdisciplinary Themes, what we want to learn, focusing on different concepts within each theme from preschool to 5th grade. Central staff and students strive to be lifelong learners who represent the Learner Profile:

- Balanced
- Caring
- Communicator
- Inquirer
- Knowledgeable
- Principled
- Open-minded
- Reflective
- Thinker
