<b>School Contact Information</b>	Coal Ridge Middle School <a href="http://crms.svvsd.org">crms.svvsd.org</a> Main Office: (303) 833-4176
<b>Overview of Gifted and Talented</b>	At Coal Ridge, students that have been identified as gifted and talented create an Advanced Learning Plan (ALP) each school year. They meet with the GT Site Leader to monitor progress on their plan throughout the year. In addition, our Gifted and Talented students participate in a daily 20 minute G.T. advisory class. We focus on developing their Advanced Learning Plans and teach lessons and give opportunities around their goals. We also include lessons helping students understand the G.T. brains and social and emotional needs. We encourage our students to learn and try out advocating skills they can use with their teachers, parents, and peers.
<b>Programming and Enrichment Opportunities</b>	<a href="#">Students</a> are offered Advanced Language Arts and Math classes if it is related to their ALP plans or learning needs. We also offer a wide variety of <a href="#">enrichment classes and afterschool clubs</a> that help students pursue their interests or passions such as music and art classes, many supports, and leadership opportunities.
<b>Social Emotional Support</b>	We offer a mindfulness room to all students at our building to be able to take a 5 - 10 minute break if they need it throughout the day if they need a brain break or get some energy out that will in turn help them get back to their classes and focused on their learning.
<b>School Focus</b>	At <a href="#">Coal Ridge Middle School</a> we thrive to help our students build community, student Empowerment, and Ownership with their continuous learning journey.
