From learning about how to manage our feelings and actions, to service learning projects, to running school assemblies, Eagle Crest students develop leadership skills throughout</p>

their entire school experience.

We also provide an array of extra leadership opportunities for students such as the Communication and Tech Teams, Competitive Robotics Teams, WeBot Robotics for all 5th graders, Mwebaza Annex Team, and a STEM Explorers/Eco Eagles Resource Wise Team. We believe students need to practice leading in order to gain the confidence necessary to believe they can build a better world.
