Frederick High School

<p>School Contact Information</p>	<p>Frederick High School fhs.svvsd.org Main Office: (303) 833-3533</p>
<p>Overview of Gifted and Talented</p>	<p>At Frederick High School, students identified as gifted and talented create a personalized Advance Learning Plan each school year. They meet with the GT site leader to monitor progress on their plan throughout the year. The GT program at FHS is one of the most robust in the state and includes: Gifted and talented seminar course available for all grades, Honors programs, College campus visits, AP/Concurrent enrollment, CU Gold courses, one-on-one meeting with GT liaison, group GT meetings each quarter, guest speakers, college/ career planning as well as a specialized GT counselor who is always available and sends monthly updates and reminders.</p>
<p>Programming and Enrichment Opportunities</p>	<p>Clubs and enrichment opportunities are too numerous to list but here are a few highlighted ones:</p> <ul style="list-style-type: none"> ● Innovation center courses, CTEC, Video Game Club, Honors societies, Key Club, Green Club, Art Club, Thespian society, Quill and Scroll, State recognized and state leaders in theater, music and sports programs, Leadership, GSA, Broadcasting, Newspaper, Speech and Debate, etc. ● Activities, Arts, & Athletics
<p>Social Emotional Support</p>	<p>FHS offers several services for social emotional support including, counseling, interventionist, meditation, stress management, small group sessions, “lunch bunch” meetings specifically for GT students as well as a Gifted and Talented Seminar course that focuses on Affective needs. Learn more about Frederick’s counseling services.</p>
<p>School Focus</p>	<p>Concurrent Enrollment/ CU Succeed- Frederick offers 68 concurrent enrollment college credits through our CU Succeed Program as well as classes through Front Range and Aims Community College Biomedical Science Academy- A program for creating college and career opportunities for students in the rapidly expanding field of biomedical science. P-TECH- Our students have the opportunity to earn an no-cost Associate Degree in Biochemistry alongside their high school diploma</p>
