Overview of Gifted and Talented	<p>Students that have been identified as gifted and talented create an Advanced Learning Plan (ALP) each school year. They meet with the GT Site Leader to monitor progress on their plan throughout the year. At LaunchED Virtual Academy, we focus on challenging K-12 students in their academic advancement while supporting and fostering their social and emotional development. We apply strategies including, choice boards, pull out groups, flexible grouping, interest groups, adjust curriculum pacing, pre-assess to determine mastery, academic advancement (content acceleration and grade acceleration). We also provide students the opportunity to participate in Leadership Opportunities including the National Honor Society (NHS) and the Student Advisory Committee.</p>
Programming and Enrichment Opportunities	<p>LaunchED offers students a variety of AP and concurrent enrollment courses for advancing career and college opportunities. We also provide virtual clubs, activities and individualized passion projects. Students can also access college level courses through Concurrent Enrollment. Learn more about the academic and enrichment opportunities in different content areas.</p>
Social Emotional Support	<p>LaunchED counseling department is fully committed to meeting the emotional, academic and social needs of each and every student. We also have an Interventionist who works with students. Students also participate in Advisory periods. Launch Ed utilizes In Focus, a district curriculum, to support students as they develop social and emotional intelligence. Students use critical forms of intelligence to successfully navigate the challenges, relationships and experiences they encounter through their school years and later on in life</p>
School Focus	<p>STEAM St. Vrain LaunchED Virtual Academy will utilize content from a variety of digital resources to deliver a rigorous and comprehensive educational experience that aligns with SVVSD and Colorado Academic Standards.</p>
