New Meridian High School

School Contact Information	New Meridian High School nmhs.svvsd.org Main Office: 720-494-3961
Overview of Gifted and Talented	New Meridian High School students identified as gifted and talented, create a personalized advanced learning plan each school year. They meet with the GT site leader to monitor progress on their plan throughout the year. New Meridian High School has a small group of students identified as Gifted and Talented. These students all state that they enjoy New Meridian because of the smaller classroom size and ability to touch base with their teachers more frequently.
Programming and Enrichment Opportunities	All GT students at New Meridian have the opportunity to dig deeper into their interests and their coursework. All New Meridian teachers are ready and able to provide enriching activities and discussions.
Social Emotional Support	New Meridian High School has two counselors and an interventionist this school year. All of the students here have had the opportunity to talk about their triumphs, questions, and concerns this year. All report being comfortable checking in with their teachers and counselors for anything they deem necessary in order to thrive here.
School Focus	New Meridian High School is an alternative school in the SVVSD. With that designation, we have the distinct opportunity to individualize educational experiences for all students to ensure they

	have what they need to reach for their unique futures.
