 A STEM AND VPA FOCUS SCHOOL

**Skyline High School**

<b>School Contact Information</b>	Skyline High School <a href="http://shs.svvsd.org">shs.svvsd.org</a> (720) 494-3741
<b>Overview of Gifted and Talented</b>	Skyline High School students that are identified as gifted and talented create a personalized advanced learning plan each school year. They meet with the GT site leader to monitor progress on their plan throughout the year.
<b>Programming and Enrichment Opportunities</b>	Skyline High School participates in the College Board’s National Advanced Placement (AP) program with 23 weighted-grade course options, as well as P-TECH, Visual and Performing arts courses, and STEM classes. Skyline High School also provides a variety of <a href="#">co-curricular activities</a> for students with diverse interests and talents.
<b>Social Emotional Support</b>	<a href="#">Guidance and counseling</a> services are provided for the purpose of assisting students with their educational, vocational, personal-social adjustments, and progress.
<b>School Focus</b>	Skyline High School is the flagship IBM P-TECH school in the western United States. In collaboration with IBM and Front Range Community College, P-TECH students earn a no-cost Associate of Applied Science Degree alongside their high school diploma. Skyline’s STEM Academy offers a wide-variety of topics including robotics, biomechanics, renewable energy, engineering, and computer science. The Visual and Performing Arts Academy (VPA) offers classes in visual arts, music, drama, dance, and students receive a VPA Certificate upon completion of a Capstone project.
