**St. Vrain Community Montessori**

<p><b>School Contact Information</b></p>	<p>St. Vrain Community Montessori  <a href="http://svcmontessori.org">svcmontessori.org</a>            Main Office: (303) 682-4339</p>
<p><b>Overview of Gifted and Talented</b></p>	<p>Students who are identified as gifted and talented will have an Advanced Learning Plan (ALP) drafted every school year. The teachers create and implement the ALPS with support from the site leader. The authentic Montessori environment at St. Vrain Community Montessori School naturally meets a wide range of student abilities. Our <a href="#">philosophy</a> is embedded into the classrooms.</p>
<p><b>Programming and Enrichment Opportunities</b></p>	<p>The St. Vrain Community Montessori <a href="#">curriculum</a> is rich in learning opportunities. We value following the child academically, ensuring that all students are met with the appropriate amount of challenge. St. Vrain Community Montessori School offers an array of <a href="#">extracurricular programs</a> to meet the needs of our students and their families. In addition to a curriculum of math, history, language, geography, science, sensorial, and practical life, our students also explore <a href="#">art and movement</a> on a weekly basis.</p>
<p><b>Social Emotional Support</b></p>	<p>SVCM, through our peace curriculum and our Montessori philosophy, provide social emotional support for all of our children. We add any <a href="#">additional support needed</a> for our identified students as needed.</p>
<p><b>School Focus</b></p>	<p>We are a Montessori school, therefore our focus is on the materials and philosophy created by <a href="#">Maria Montessori</a>.</p>
