Timberline PK-8 School

School Contact Information	Timberline PK-8 School tpk8.svvsd.org Main Office: (303) 772-7900
Overview of Gifted and Talented	At Timberline we individualize gifted programming based on the needs of the student. Each student, their parents, and teachers work in collaboration to create an Advanced Learning Plan unique to the child. This may include advanced classes, acceleration by content or grade level, independent studies, special projects designed by students guided by standards, unique opportunities, and small groups to meet students' needs and support their interests.
Programming and Enrichment Opportunities	Timberline offers a wide variety of clubs and before and after school activities such as: mariachi band, ukulele club, choir for elementary school, board game club, STEM explorers, Robotics, P.R.I.D.E Pack, Book Club, Curious Cardinals, Thorne Nature Program, Cinco de mayo dance group, and art club. Clubs are added each year. Student driven interests often drive formation of new clubs.
Social Emotional Support	Timberline has 3 counselors and a halftime interventionist who support students' individually with emotional needs. We also have a social emotional curriculum implemented at all grade levels in the regular classroom in addition to scheduled classroom lessons from our counseling staff.
School Focus	As an integrated STEM focused school, Timberline PK8 is proud to offer students an innovative educational experience balanced by opportunities to participate in a variety of music programs, visual arts, and physical education classes as well as STEM focused courses. <ul style="list-style-type: none"> ● STEM ● Pre-PTECH pathway ● Pathway to the Seal of Biliteracy
