FUND ACCOUNTING

The District uses funds to report its financial position and changes in financial position. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities. A fund is a separate accounting entity with a self-balancing set of accounts.

Funds are classified into three categories: governmental, proprietary, and fiduciary. Each category, in turn, is divided into separate “fund types”.

Governmental funds are used to account for all or most of a government’s general activities, including the servicing of long-term debt (debt service fund), the construction of new schools or renovation of existing buildings (capital projects funds), and the collection and disbursement of earmarked funds (special revenue funds). The District’s governmental funds consist of the following: *General Fund*; *Colorado Preschool Program Fund* and *Risk Management Fund*, both sub-funds of the General Fund; *Bond Redemption Fund*; *Building Fund*; *Capital Reserve Capital Projects Fund*; and five special revenue funds, including the *Government Designated-Purpose Grants Fund*.

Proprietary Funds focus on the determination of the changes in net assets, financial position, and cash flows and are classified as either enterprise or internal service. Enterprise funds may be used to account for any activity for which a fee is charged to external users for goods or services. The District does not have an enterprise fund. Internal service funds account for the financing of services provided by one department to other departments of the District on a cost reimbursement basis. The District’s only internal service fund is the *Self Insurance Fund*.

Fiduciary Funds’ reporting focuses on net assets and changes in net assets. The fiduciary fund category is split into four classifications: pension trust funds, investment trust funds, private-purpose trust funds, and agency funds. The District no longer has fiduciary funds.

GOVERNMENTAL FUNDS

General Fund

The *General Fund* is the District's general operating fund and is used to account for all financial transactions except those required to be accounted for in another fund. Major revenue sources include local property taxes, specific ownership taxes, and State of Colorado equalization funding, as determined by the School Finance Act of 1994, as amended. Expenditures include all costs associated with the daily operation of the schools, except for programs funded by grants from federal and state governments, school construction, certain capital outlay expenditures, debt service, food service operations, extracurricular athletic and other pupil activities, and insurance transactions.

The *Colorado Preschool Program Fund* is reported as a sub-fund of the *General Fund*. Moneys allocated to this fund from the *General Fund* are used to pay the costs of providing preschool services directly to qualified at-risk children enrolled in the District's preschool program pursuant to C.R.S. 22-28-102.

The *Risk Management Fund* is also a sub-fund of the *General Fund*. Moneys allocated to this fund from the *General Fund* are used to account for the payment of loss or damage to the property of the District, workers' compensation, property and liability claims, and the payment of related administration expenses.

GOVERNMENTAL FUNDS

Major Governmental Funds

The *Bond Redemption Fund* is a debt service fund. It is used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest. The fund's primary revenue source is local property taxes levied specifically for debt service.

The *Building Fund* is a capital projects fund that is used to account for the proceeds of bond sales and expenditures for capital outlay for land, buildings, improvements of grounds, construction of buildings, additions or remodeling of buildings or initial, additional and replacement of equipment.

Nonmajor Governmental Fund

The *Capital Reserve Capital Projects Fund* is used to account for revenue allocations from the *General Fund* and other revenues allocated to or earned in this fund, and the expenditures for the ongoing capital needs of the District, such as acquisition of land, building additions and improvements, and equipment purchases where the estimated unit cost is in excess of \$1,000.

MEMORANDUM

DATE: February 22, 2023

TO: Board of Education

FROM: Dr. Don Haddad, Superintendent of Schools

SUBJECT: Adoption of Resolution to Proclaim Student Voter Registration Awareness Week as April 3-7, 2023
Strategic Priority – Outstanding Communication and Collaboration with Community and Corporate Partners

RECOMMENDATION

That the Board of Education adopt a resolution to proclaim Student Voter Registration Awareness Week as April 3-7, 2023.

BACKGROUND

Molly Fitzpatrick, Boulder County Clerk and Recorder, has asked our Board of Education to adopt a resolution to proclaim Student Voter Registration Awareness Week as April 3-7, 2023. With the passage of Amendment 76, 17-year-olds (who will be 18 by the next General Election) will no longer have the right to participate in primary elections as they were allowed to in 2020.

Without a primary election this year and given the circumstances, it makes more sense to have this awareness week closer to the end of the school year when graduating seniors may want to consider their options on where to register to vote depending on their post-graduation plans.

Kahle Charles, Assistant Superintendent of Assessment, Curriculum, and Instruction, will be available for questions.

Student Voter Registration Awareness Week
April 3-7, 2023

WHEREAS, the right to vote is an important civil liberty and the core of the American democratic system; and

WHEREAS, voter pre-registration for high school students who are 16 or 17 and registration for high school students who are, or will turn 18 before an election, should be accessible and convenient; and

WHEREAS, educators play a critical role in the development of their students as productive and active citizens, and participation in the electoral process is one way students can become informed and engaged citizens; and

WHEREAS, Boulder County Clerk and Recorder Elections Division will work with the St. Vrain Valley School District, as well as other interested parties, to conduct voter registration outreach and education to high school students across the St. Vrain Valley School District; and

WHEREAS, April 3-7, 2023 will be the fourth annual Student Voter Registration Awareness Week, in which teachers and staff will be encouraged to: educate students on voter registration, hold registration and civic engagement opportunities, and make voter registration and pre-registration accessible and convenient for eligible high school students throughout the district; and

WHEREAS, students can apply to register to vote by submitting paper applications to their appointed school liaison or local county clerk and recorder office; completing the online form on the Colorado Secretary of State's website; or at a voter registration drive; and

WHEREAS, voting is a vital part of our democracy and ensures that everyone's voice is heard;

THEREFORE, BE IT RESOLVED that the St. Vrain Valley School District supports the growing involvement of the student body in the democratic process and designates the week of April 3-7, 2023 as Student Voter Registration Awareness Week.

Adopted this 22nd day of February 2023.
