SOARING HEIGHTS
PK-8

Soaring Heights PK-8 School

<p>School Contact Information</p>	<p>Soaring Heights PK-8 School shpk8.svvsd.org Main Office: (303)702-8020</p>
<p>Overview of Gifted and Talented</p>	<p>Soaring Heights PK-8 offers a robust Gifted Services program that supports the identification and programming for gifted students, grades K-12. Students that have been identified as gifted and talented create a personalized advanced learning plan each school year. Our trained staff monitors progress on student’s plans throughout the year. In partnership with St. Vrain’s department of Gifted and Talented, we collaborate with staff, parents, and the community in support of advanced learners. The mission of Gifted Services is to ensure learning and growth through implementation of educational provisions and advocacy.</p>
<p>Programming and Enrichment Opportunities</p>	<ul style="list-style-type: none"> ● Soaring Heights is a <u>STEM focus school</u> with an emphasis on <u>Neuroscience</u> where students have access to daily Innovation Time ● Students connect with experts in the field through extensive partnerships with the Anschutz Neuroscience Program, CU Denver STEM Outreach Program, Regis School of Business, University of Northern Colorado, Colorado Health Foundation, Sphero, and Ocean First ● Students have access to advanced core content options for every grade level at the middle school ● Classroom and common area spaces are designed to house flexible seating that enhances brain activity and development ● Eighth grade students have the opportunity to participate in mentorship programs and enroll in courses, such as Intro to Engineering, through a partnership with Erie High School ● Soaring Heights offers more than 30 elective courses, ranging from the performing arts to robotics to movie making ● Our state-of-the-art facilities are equipped with two

	<u>makerspaces</u> , a large media center, science labs, four music rooms, and more
Social Emotional Support	Soaring Heights PK-8 and St. Vrain Valley Schools prioritize student well-being and support. To this end, we offer many different counseling support services to connect students and families with the information and resources they need to be successful. If you or your student need counseling please contact the front office or reach out to our student support team.
School Focus	As a <u>STEM-focus</u> school with an emphasis on Neuroscience, Soaring Heights PK-8 is committed to fostering the needs of the whole child by encouraging each student to reach their unique potential both academically and socially.
