Half Day = working any 3 ½ hours or less during a school day.
Long Term Guest Teaching

A guest teacher is considered “long-term” when he/she has the same assignment on the 11th consecutive day. The rate for long-term pay changes to $180.00 per full day from the 11th day until the end of the assignment. (Days 1-10 will remain at the rate of a guest teacher’s current tier rate.) If the long-term assignment is broken, the days for long-term pay start over at the guest teacher’s current tier rate per day. The guest teacher will need to contact the substitute office to adjust the job and get a different guest teacher for any break in the consecutive count.

1. A guest teacher will be recommended for the long-term assignment by the building principal. Personal interviews may also be conducted depending upon the circumstances and length of the absence.

2. A long-term guest teacher will be paid for attendance at parent/teacher conferences and regularly scheduled school in-service sessions if requested to attend by the principal. The substitute office will pay the guest teacher, via SAM, for conference time worked but all other time must be pre-approved and submitted on a time card and signed by the principal for extra duty hours.

3. Long-term guest teachers will not be paid for: non-student days, absence from work, snow days, staff meetings, work taken home or worked on after school, or any other extra duties without prior approval from LeAnn Cooper in the Substitute Office.

4. St. Vrain does not pay long-term rates for any extended jobs for classified personnel, such as: Special Ed Paraeducators, Preschool Special Education Paraeducators, Preschool Paraeducators or Need to Hire jobs for any of these positions.

Employee Information

If you experience a change to your address, phone number, name and/or to view your sick leave, tax information and paystubs, visit the Employee Portal at iv.svvsd.org/iVisions. A Guest Teacher uses the district’s active directory email credentials to sign into the Employee Portal.

October Count and Attendance Taking

The October Count is a count of students in attendance during an 11-day window, determined by the Colorado Department of Education that includes October 1st of each year. The district receives the majority of its funding from the count. Although taking accurate attendance is always important to ensure student safety, **during this window it is critical that accurate attendance is taken.** Each building has instructions to give to teachers for taking attendance during this window. When you sign in, please ask for a copy of these instructions or check with the attendance clerk in the main office for your instructions. Attendance for each classroom must be taken in a timely manner daily and must be signed by the teacher who was responsible for the classroom that day. St. Vrain appreciates your help in making sure we keep accurate records for the safety of students each day and that we receive the maximum funding during this important count period.
Inclement Weather Procedures

Anytime our community experiences inclement weather, our operations and leadership teams are driving roads throughout the evening and early morning, and in communication with various city and town officials, closely monitoring weather conditions. Based on road conditions and weather forecasts, we will make one of three decisions:

1. To keep a normal in-person school schedule
2. Delay the start of school by two hours
3. Shift to a shortened online learning day

Our first priority, as long as it is deemed safe by our team in consultation with other municipality officials, will be in-person learning.

2-hour Delay: If the weather is such that the normal start is problematic due to weather conditions, we may implement a 2-hour weather delay. A weather delay will only be used if the delay will accommodate warmer temperatures at the bus stops and/or a substantive improvement in road conditions. Please note that weather delays are different from our scheduled late-start days. During a weather delay, school will begin two hours after the normal school start time (as opposed to scheduled monthly late-start days which begin two and a half hours after the normal school start time. As a guest teacher you will report ½ before this new student start time.

Shortened Online Learning Days: When inclement weather closes our schools to in-person learning, the district will institute a shortened online learning schedule. As a guest teacher, you may receive notification of your job being cancelled. The guest teacher in a long-term assignment should follow the school administration instructions and prepare to take technology home to run the class.

In case of inclement weather, or any natural disaster where schools are closed or delayed: SAM may call and/or email you about the cancellation of your job and SVVS will post a web alert. The most expedient means of communication is by calling the Newsline at 303-682-7387 or by checking the district’s web site at www.svvsd.org. A shortcut to this information is stvra.in/closures. We also notify the local news stations or you may call the sub office at 303-682-7393 to listen for any further instructions.

The district automated system can also notify you of the closing if you have elected to set up your Infinite Campus Account (instructions located on page #9).
Late Start School Days

All staff across our school district are committed to meeting our school and district goals for student achievement, well-being and partnerships. Professional Learning Community (PLC) Time takes place for 2.5 hours, on 7 specific school days per year, specifically for this purpose. School buses will pick up students 2.5 hours later than originally scheduled. Guest teachers need to be at the school at least 30 minutes before Late Start begins. The “PLC Times” schedule does not apply to preschool programs.

Please note: The teacher of your job on the late start days may not have set up your job with the 2 ½ hours late start time, please check the schedule in the back of the manual if you need the correct time to arrive. The PLC late start days for 2023-2024:

- September 6th
- November 1st
- December 6th
- February 7th
- March 6th
- April 3rd
- May 1st

Benefits - Guest Teachers are eligible for the following benefits:

- **Public Employee’s Retirement Association (PERA):** PERA provides retirement and other benefits to the employees of more than 400 government agencies and public entities in the State of Colorado. PERA is a substitute for Social Security for most of these public employees. Benefits are pre-funded, which means while a member is working, they are required to contribute a fixed percentage of their salary to the retirement trust funds. This percentage for employees of SVVS is 11% and SVVS contributes 21.4%.

- **Sick Leave:** Through the Healthy Family Workforce Act, SVVS Guest Teachers earn sick leave that can be used if a Guest Teacher is sick or any other reason stated under the Healthy Family Workforce Act. The earning rate is 1 hour per every 30 hours worked. Your usable hours are listed on your paystub as SAM Substitute HFWA. If you need to access these paid sick leave hours, you must do so within 24 hours after cancelling a previously accepted assignment. You can access these paid sick hours by logging into Kronos from the Classlink.svvsd.org website: [http://classlink.svvsd.org](http://classlink.svvsd.org)

- **Employee Assistance Program (EAP):** EAP is a free, confidential, referral and counseling service available to balance the challenges of home, work, and contemporary life. The EAP can help you with marital and relationship counseling, child and elder care, alcohol and drug abuse, legal assistance and debt management. You may receive up to six counseling sessions per episode and available to you and your immediate family members. Call 24/7 to ComPsych at 855-699-6908 or visit the website at: [www.guidanceresources.com](http://www.guidanceresources.com) Web ID: SVVSD.

Policies and Discipline

Please remember when you are subbing that you are the “Teacher of Record” for the classroom on that day. Classroom students are NOT your children or your friends; therefore:

- Guest Teachers should conduct themselves with professionalism and cordiality in all interactions and communications at all times.
- Report to the office of the assigned building at least 30 minutes prior to the reporting time listed in SAM so that you can get prepared for the day (i.e. review lesson plans, prepare materials, etc.).
- Practice appropriate touching boundaries - for example: never pat a student’s diaper, scratch a student’s back or massage their shoulders. Never touch, grab or restrain a student in a disciplinary, redirection or volatile situation unless there is an imminent risk of injury to self or others.
- Use active monitoring and supervision strategies and never leave children unattended.
- Do not offer or provide any food or drinks to students.
- Always have two adults if assisting a child to the restroom or diapering.
- Do not use profanity in the presence of students.
- Exceptionally difficult problems of student control should always be referred to the school administrator's office.
- Personal injury to a student or teacher should be reported to the office immediately.
- Any student appearing to be ill should be sent to the office with a pass.
- No personal cell phones or other electronic devices should ever be used while you are responsible for supervising students.
- Personal work of any kind should be reserved for after work hours.
- Substitute employment is “at will,” temporary and on an as-needed basis by the District.

Responsibilities of a Substitute

- Dress professionally, setting a good example for the students.
- Locate the classroom and introduce yourself to the teachers whose classrooms are next door or are in your vicinity.
- During your 30-minute pre-start time, review the classroom teacher’s daily schedule, lesson plan book, seating charts, textbooks and other materials.
- Complete all lesson planned activities before introducing any other materials. When introducing other teaching materials, ensure that they are age and ability-level appropriate, and that they align with District policies.
- If the lesson plans are not available or inadequate for the length of substitution, contact the office and/or principal to check for any emergency plans.
- Check the attendance procedures of your assigned school.
- Start class immediately with the assigned work.
- Maintain classroom order. Refer any unusual incidents to the building principal or designated administrator.
- Keep all students in your classroom under supervision at all times. NEVER leave a class unattended.
- Consider all records and information pertaining to students as confidential.
- Maintain a professional attitude. Use extreme caution in expressing personal reactions and opinions about what you observe in the classrooms of various schools. Under no circumstances should a substitute criticize a regular teacher or the students in the presence of other teachers or students.
- Complete necessary reports and grading.
• Leave desk, books and room in order and a note or business card for the teacher with your name and phone number for future assignments.
• Prepare a summary of work covered and how the day went for the teacher, or complete the Feedback Form in SAM.

FAQs
Q. I am a new guest teacher, where should I start?
A: Once you receive your Welcome Letter and are able to access your SAM Portal, you can begin to set up your system preferences and find available jobs. Under Frontline Support, select the ?, where you can find help pages. Preference options allow you to define your preferred schools, call times and to change your PIN.

Q. Can an employee assign me, or request me for his/her absence?
A. Yes, the employee can add you as one of their preferred 5 (these 5 Guest Teachers are notified 1st) or the employee can prearrange you in a job, but they must call you 1st and receive your positive acceptance of the job. Make sure the employees know your last name and phone number. It is a good idea to leave a business card with your name and phone number listed and then the teacher will have the information the next time they need a Guest Teacher.

Q. A teacher would like to prearrange me for a job and the system says I am not available. Why does this happen?
A. There are several reasons why this may happen: Log in to your profile.
   1. Check your availability for that day; remember to check in another district which also uses Frontline's Substitute Absence Management.
   2. Make sure you have the school site selected on your profile.
   3. Make sure you don’t have a non-work day set up in SAM
   4. Check the expiration of your Teaching License or Substitute Authorization.

Q. I have a background in Science, can I pick up a job teaching 1st grade?
A. Yes please! As a guest teacher you may accept any job posted, even Special Education!

Q. What is a supplemental job?
A. The Special Educational Department is required to conduct meetings with parents. The supplemental job may be in many different classrooms, so teachers can be in these meetings. You may be subbing in regular and/or Special Education classrooms.

Q. How can I qualify for a long-term assignment?
A. Any active Guest Teacher in St. Vrain who holds a Teaching License or a 3 or 5-year Substitute Authorization may do a long-term assignment, with approval from the school’s Administration. Preference may be given to Guest Teachers who have qualifications to teach the content of the class being filled, particularly in Title 1 schools.

Q. What if the days I am available to work change from week to week?
A. If you have days or partial days when you are not able to substitute, you can create “Non-WorkDays” so SAM will not offer you jobs on those days. Click the Non-Work Days tab to view your non-work days and to create new ones. If you schedule a non-work day and need to cancel it the day of, you must contact the sub office.
Q. I have been asked to sub in another classroom during my plan period(s). Am I required to give up my plan period(s)?
A. The plan period is a scheduled time that a contracted teacher uses to create lesson plans for the next school day. As a Guest Teacher, unless you are in a long-term assignment, you are not required to create any lesson plans. Therefore, you may be asked to sub in another classroom or complete duties for the office during plan period(s).

Q. I have a job scheduled and I wake up sick. How do I use my government provide sick leave?
A. Guest Teachers now earn 1 hour of sick leave for every 30 hours worked. If a guest teacher is scheduled into a job and wakes up sick, this guest teacher can utilize the SAM Substitute HFWA.

**IMPORTANT:** You must log these sick hours within 24 hours after cancelling a previously accepted assignment. Please follow these seven steps to access this leave.

1. Open Classlink - classlink.stvrain.org
2. Select the App: Kronos
3. On the home page- select “MY Timesheet”
4. On the timesheet - Click on the down arrow under “Time Off” - this action will pull up a list of options. You choose HFWA (Sick).
5. Enter the time in and time out on the line for HFWA (Sick). Save your changes by clicking on the Save button in the upper right of your timesheet.
6. Submit your Timesheet on a weekly basis. It is recommended each Monday to submit your Timesheet for the previous week.
7. When the Submit for approval window appears, select Submit.
8. Verify your Timesheet submission was accepted by selecting OK in the confirmation message.

Q: What happens if SAM calls me and gets my voicemail?
A: The system will not leave a message.

Q. If a guest teacher was requested for a job and another guest teacher shows up for the same job, who gets the job?
A. The person who accepted the job via SAM gets the job. If this happens, call the sub office to be placed into a different job.

Q: It is a late start Wednesday and my job says I start at the regular bell time. What should I do?
A. The preschool program and most of the charter schools may not follow late start protocol, so if you have selected one of these jobs, then report at regular time or call the school if you are in question. For any other jobs, report 2.5 hours later then the bell time listed in SAM, but still show up 30 minutes before this time as normal. The late start days are listed on page 4.

Q. What would be a reason to send a child to the health room?
A. The 8 major reasons are: Bleeding (beyond a Band-Aid fix), Burning up (fever), Broken Bones, Barfing, Breathing Problems, Blood Sugar issues (If Diabetic), Bump on the head and Bowel/Bladder issues.

Ideas for Class Starter Activities from STEDI.org

Note: Always follow the teacher’s lesson plan first.
The sooner you can get students on task, the easier it is to keep them engaged in constructive activities. Greet students at the door and ask them to start on the activity on the board while you work on attendance. Some permanent teachers may leave instructions for a starter activity to be completed at the beginning of class. If such an activity is not outlined in the lesson plan, use one of the ideas outlined below.

Would you rather...
- Would you rather have a panda or anteater as a pet? Why?
- Would you rather always have to ride your bike wherever you go or ride the bus? Why?
- Would you rather always have to say everything that came to your mind or never speak again? Why?
- Would you rather be able to fly or be invisible? Why?
- Would you rather be able to hear any conversation or take back anything you say? Why?
- Would you rather go on a one-week trip to a foreign country of your choice or take a four-week trip around your own country? Why?
- Would you rather get $1000 right now or $50 a month for the rest of your life? Why?

If you could only...

Classroom Management Ideas from STEDI.org Refocusing the Classroom Strategies
1. Captivate and Redirect - To minimize major disruptions, often the best way is by capturing and redirecting students’ attention. Involving students in an engaging and mentally challenging learning activity will help them settle back into the day's routine. For example: use one of the starter activities or a worksheet.
2. Whisper - Your first instinct in a situation where the entire class is noisy and off task may be to raise your voice. However, when students hear you speak loudly they may assume it is all right to raise their voices as well. A productive strategy is to whisper. Move to the front of the room and begin giving instructions very quietly. As the students begin to hear you, they will need to become quiet in order to understand what you are saying. Once you have the attention of the class, you can give instructions as needed.
3. Write and Erase - If students are between activities and talking among themselves, one way to get their attention and give further instructions is to begin writing and erasing the instructions on the board, one word at a time. For example, if you want them to get their science books from their desk and place on top, you would write: “Get” on the whiteboard and then erase it. Next, write “your” and erase it. Then “science” and erase it, etc. Students will soon become involved in what you are writing and realize that they are missing the instructions. You will quickly have their attention.
 Strategies for Handling Difficult Situations - from STEDI.org
The best strategy for handling negative circumstances varies with each situation. The most important
thing is to stay calm and emotionally detached so you can evaluate and manage the situation
professionally.
1. Acknowledge and Redirect - A negative comment is often the result of an emotional response.
   Ignoring the student could evoke more comments and perhaps aggression. Teacher: “I
   understand you are angry right now. However, the expectation for the class right now is to sit down
   and begin completing the assignment on page 2. We will discuss the situation after class.”
2. Get Help - If you feel that you or any student are in danger of physical harm, stay calm and
   immediately call or send someone to the office to get help. Once the situation is under control,
document the event by recording what happened, what you did or said, what the student said or
did, as well as the actions of anyone involved.

Situation 1: Criticism
On a daily basis in order to remove oneself from criticism, there is a classroom management strategy
called “catch me being good” which shifts the teacher’s focus from unwanted behaviors to wanted
behaviors and offers praise for desired actions. Do your best to have at least eight positive interactions
for every one negative interaction with a student.
According to STEDI.org, there are two words that can stop most protest from any student and let you
take control of the situation. These words are “I understand”

Situation 2: Common Sense
This situation is when the teacher attempts to use common sense, reasoning or logic to try to persuade
a student to change their behavior. This does not work because the students are not given any incentives
to change the negative behavior.
Example: Teacher: “Johnny if you don’t sit down and do your problems, you are going to have alot of
homework. You tell me you will get done, but I don’t see how at this rate. It is up to you to get this work
done.”

Instead Try: Teacher: “Johnny you got the first problems right! However, you have quite a few more to go.
If you want to join in reading time later, you should sit down and complete this work. I’ll come back in a few
minutes to check on you.”

Situation 3: Questioning
To prevent this situation, avoid asking questions to the students about their bad behavior. Example:
Teacher- “Why are you not completing your assignment? Student- “Because it is boring.” Teacher-
Why is it boring? Student- “Because nobody cares about this stuff.” --The questions never stop.

Instead Try: Teacher: “What do you need to be working on?” Student: “She is talking to me” Teacher:
What do you need to be working on right now?” Student: “My assignment” Teacher: Thanks for working on
that, I will check back in a minute.

Situation 4: Sarcasm
Sarcasm destroys the positive classroom environment. The use of sarcasm suggests that you, the
teacher, do not know any better way to interact. Example: Teacher: “Well isn’t it nice that you all decided to
finally act like humans instead of wild animals. I am glad it only took half the class time
to do it. I wonder if you are all the slowest and loudest children in the school. Now sit down and get ready to
work”

Instead Try: Teacher: “It is this classroom’s rule that everyone is seated and ready to work once the bell
rang. I really appreciate those of you who are seated and are ready to go.

Pg. 15
Situation 5: Despair and Pleading
On the days when everything is going wrong, it is tempting to confide your feelings of inadequacy with the students, but don’t do it. Example: Teacher - “Everyone please do me a favor and sit down and do your work. I can’t think of what to do next? How do you think I should handle this?” Student - “Are we the teacher or you because we don’t know, and you should know!” The best way to overcome this situation, is by being prepared with several classroom management strategies. All classes are different so use the positive verbal reinforcement with one class and maybe a sticker reward with a different one. If a strategy isn’t working, don’t be afraid to try a different one.

Situation 6: Threats
This situation is one step above the despair and pleading situation and threats are usually unreasonable and unenforceable. Avoid this situation by planning ahead. State both expectations and appropriate consequences in advance, then reinforce appropriate student behavior and follow through with consequences.

Situation 7: The Physical and Verbal Force Situation
The use of physical or verbal force is absolutely inappropriate. To avoid this situation, concentrate on restating expectations, keep your cool, count to ten, or get the teacher next door. Do whatever it takes to keep from resorting to force of any kind,

Safety and Security Standards

The St. Vrain Valley Schools Board of Education (BOE) is committed to maintaining a safe work environment as well as providing every opportunity for students to have a productive and positive educational experience. Policies, procedures and protocols have been developed to support student achievement and global success.

All St. Vrain schools have plans and procedures in place for handling crisis situations. As part of the plans, schools conduct practice drills for fire, severe weather, and other situations. Teachers play a crucial role in all emergency procedures and guest teachers may be responsible for a class of students when an emergency procedure is employed. In addition to remaining calm, the following suggestions may help a guest teacher be better prepared in the event a crisis occurs.

Ask the Office: As a guest teacher checks-in at the office, the guest teacher should take a moment to ask what the crisis procedures are for that school.

Check out the Classroom: When arriving at the classroom, a guest teacher should take a few minutes to look around and locate the following:

- Standard Response Protocol (SRP) poster in the classroom.
- Fire evacuation maps that show primary and secondary routes.
- A class roster & Red/Green card

Meet Neighboring Teachers: If you have the opportunity, introduce yourself to a neighboring teacher. This will provide you with someone you can ask for assistance, or to help clarify any internal school procedures.

Be prepared for Emergencies: Think through possible situations and how to deal with them before they happen:

- If a child is ill...
- If a student get a cut or abrasion....
- If a student faints....
- If a student has an “accident”....
- If a student get a bloody nose....
- If a student has a seizure....

Mandatory Reporting

All employees of SVVSD, including substitute teachers, are considered mandatory reporters of child abuse or neglect. If a student discloses any information to you that may be considered abuse or neglect, or if you suspect a student may have been abused or neglected for any reason, it is your legal responsibility to immediately report this to law enforcement or the Boulder County Human Services Department, AND you must promptly notify a school administrator and/or counselor. The administrator or counselor can also provide you with guidance to ensure the incident is properly reported. Do NOT attempt to investigate the issue. Please see the below image for a few helpful tips. If you would like more information about this topic, please see: https://co4kids.org/ for more details.
Pro-Active Instructional Strategies and Classroom Accommodations

If a child discloses to you, DO:
- Remain calm and have someone continually present.
- Reassure the child that he/she has done the right thing by telling someone.
- Remember any concrete information.
- Reassure your support for him/her.
- Inform them of the law to report abuse to someone who has helped children and families in similar situations.
- Report the incident to the proper authorities immediately.

If a child discloses to you, DO NOT:
- Promise confidentiality.
- Express panic or shock in reaction or expression.
- Ask questions, dig for detail, or investigate.
- Make negative comments about the perpetrator.
- Disclose the information indiscriminately. Tell only those who need the information to protect the child.
- Make judgments.
- Rush or interrupt the child.

In the Classroom:
- Provide a sense of security.
- Communicate at eye level and acknowledge that the issue is available and accessible during down times in the classroom.
- Create structure:
  ▪ Provide limits and clear direction to create a sense of parameter and safety.
  ▪ Identify and reassure the child’s strengths, individual talents and qualities that make them who they are.
  ▪ Provide consistency
  ▪ Establish routines and clear expectations. Report any inappropriate behavior immediately.

Home School Connection:
- Be sensitive and do not make assumptions—you are reporting a suspicion, not making an accusation.
- If requested by the family, offer any available school resources for support.
- Offer an encouraging note home of student progress.
- Your student may be experiencing a change in living situations, which may impact sleep patterns, mood, and attentiveness.

Access Control/Visitor Management
- If an external door is unlocked for passing period or lunch, a staff member must be within line of sight of the door until it’s locked.
- District assigned keys and key cards: District keys, codes, and access cards shall not be loaned for any reason.
- District keys and access cards that have been lost or misplaced must be reported immediately to a direct supervisor. Additionally, a lost key report form must be completed inorder for a replacement to be issued.

Important Note: External door propping or providing access by bypassing the A-phone system is strictly prohibited. Student and staff safety is our #1 job!

Reporting Threatening or Concerning Behavior:
It is critical for staff to report concerns immediately to a school administrator or direct supervisor. Your observations and concerns may be one piece of a much bigger picture that helps prevent harm to someone. Don’t hesitate to report concerns.
