The St. Vrain Valley School District strives to ensure the best educational environment for all students. Students who feel safe and supported will be best situated to make the most of learning opportunities. Peer behavior is a significant component of the educational climate. Disruptive behavior interferes with the learning environment and impairs the ability of other students to make the most of their learning opportunities.

Students who wish to participate in the above listed trip opportunity are required to meet standards of personal behavior that will promote a positive learning experience, demonstrate good citizenship, and represent the District in a positive manner. Participation in the above listed trip is purely voluntary, and student participants are accountable for complying with the District's Behavioral Code of Conduct, any code of conduct set by the entity sponsoring or providing the trip opportunity, and the rules and procedures of District staff and chaperones of this trip.

Unacceptable activities include, but are not limited to:

- Criminal activity
- Possession of any weapons or explosives
- Possession or use of any non-prescription drug, alcohol, or tobacco product
- Destruction, damage, or defacing of property
- Assault
- Harassment
- Defiance of authority
- Behavior that endangers the health or safety of self or others
- Inappropriate sexual behaviors or activity
- Failure to attend scheduled events of the trip
- Leaving the hotel room after room check for any reason other than emergency or illness

Students who fail to comply with the code of conduct will be subject to disciplinary action. Students with violations of the code of conduct may be sent home at the expense of the parent or guardian.

By signing below, I agree that I have read and understand the code of conduct for this trip.
