

SVVSD OUTDOOR FACILITY USE RULES

The St. Vrain Valley School District supports the use of its facilities by members of the various communities which it serves, and considers all users as partners in the care and upkeep of these facilities. The following rules have been established to protect school property and ensure that facilities will be used in the appropriate manner.

1. Park in designated areas only. Users and spectators must not park in the fire lanes, on adjacent private property, or in posted "no parking" areas.
2. The approved contract is for field use only. Participants should bring water and use the restroom before coming. The building is not available for restroom use.
3. A group supervisor/coach who is at least 21 years old must be the first to arrive and the last to leave. This person must always carry a copy of the approved contract to each practice. Parents must not drop off a child without knowing that the group supervisor/coach is already there. The group supervisor/coach must stay until all participants have left the facilities.
4. Arrive and leave on time. Additional time beyond what is assigned is not permitted unless arranged for in advance through the Facility Use Office **(303-682-7363 / 303-682-7433)**.
5. Children must remain in the approved area only. Playground equipment may not be used by anyone else when a Community Schools Child Care Program is using it per State of Colorado licensing requirements.
6. Smoking, alcohol or substances considered to be controlled are not allowed on school district property. This includes the parking lot.
7. Pets are not permitted on district fields and property.
8. Do not shut off, touch, or drink from lawn sprinklers. Report broken sprinklers to the Facility Use Office **(720-964-3538/ 720-899-0208)**. Do not move field equipment. Report broken equipment.
9. If a field is saturated to the point that damage could occur as a result of the approved use, stay off of it. Use common sense. A damaged field could be closed for weeks resulting loss of use to many groups.
10. Indoor use is not permitted as a substitute in times of inclement weather. This applies to all outdoor use.
11. When using the field ensure all trash is picked up before your group leaves. A \$50.00 fee will be assessed after the notification is sent out.

Inappropriate behavior or language from parents, children, or participants will not be tolerated on school grounds. A team's use may be cancelled by the Facility Use Office or the school administrator if it is determined that such behavior has occurred.

Cancellation of Facility Use By The District

School functions may cause a change or cancellation of a user group and may be rescheduled with no additional cost. The Facility Use Office will give as much notice as possible for a change or cancellation.
