

Fellow St. Vrain Community Members,

I am delighted to share that I am running for re-election to the St. Vrain Valley School District Board of Education, District E (Silver Creek High School feeder system) for the 2026–2029 term. Over the past two years, I have been privileged to serve our community in this role, including as Treasurer, and I look forward to continuing to support and guide the important work of our district leadership.

As both a parent and an engaged community member, I care deeply about ensuring that every student has access to an excellent education in a safe, supportive environment. I believe in the power of public education to shape futures and strengthen communities, and I am committed to helping every student reach their highest potential and thrive as contributing citizens.

Professionally, my background is in finance and consulting, and I bring that lens of accountability and stewardship to my role on the board. As Treasurer, I have gained a deep appreciation for the complexity of school finance and the responsibility we hold in managing taxpayer dollars wisely. My work has always been driven by a focus on transparency, equity, and measurable results – values I carry into every board decision.

The most rewarding part of serving has been the connections – with students, staff, parents, and fellow board members. These relationships inspire me and reaffirm the importance of collaboration in keeping St. Vrain one of the strongest districts in Colorado.

I am grateful for the trust you've placed in me and would be honored to continue serving our community for another term. Please feel free to reach out if you'd like to connect, share your perspective, or talk more about our schools.

Thank you,
Jocelyn Gilligan
