RE: Continued Service on the Board of Education

Dear Board,

I am writing to express my continued interest in serving on the St. Vrain Valley School District Board of Education. Over the past four years, I have truly enjoyed the privilege of serving our community and district, and I feel that my experience has been invaluable.

My entire career has been dedicated to education, and serving on the board has allowed me to bring that passion to life in a new way. It has been a pleasure to support the amazing work this district has accomplished, and I am committed to continuing to push it forward.

As a graduate, community member, and parent within the district, I am excited about the opportunity to continue representing my community and serving the students of St. Vrain.

Regards,

Sarah Hurianek
