STATE OF ILLINOIS
The Religious Freedom Protection and Civil Union Act
Effective June 1, 2011

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance's website at www.insurance.illinois.gov.

You are not Actively at Work due to a physical or mental condition, such coverage will not start until the date You are Actively at Work.

Continuity from a Prior Policy: *Is there continuity of coverage from a Prior Policy?*

Your initial coverage under The Policy will begin, and will not be deferred if, on the day before the Policy Effective Date, You were insured under the Prior Policy, but on the Policy Effective Date, You were not Actively at Work, and would otherwise meet the Eligibility requirements of The Policy. However, Your Amount of Insurance will be the lesser of the amount of life insurance:

- 1) You had under the Prior Policy; or
- 2) shown in the Schedule of Insurance;

reduced by any coverage amount:

With respect to Contracted and Assignment Employees:

If You are terminated, Your coverage will continue until the last day of the month following the last pay period You are paid.

Continuation Provisions: *Can my coverage be continued beyond the date it would otherwise terminate?*

Coverage can be continued by Your Employer beyond a date shown in the Termination provision, if Your Employer provides a plan of continuation which applies to all employees the same way.

The amount of continued coverage will be the amount of coverage in effect on the date immediately before coverage would otherwise have ended. Continued coverage:

- 1) is subject to any reductions in The Policy;
- 2) is subject to payment of premium;
- 3) may be continued up to the maximum time shown in the provisions; and
- 4) terminates if The Policy terminates.

In no event will the amount of insurance increase while coverage is continued in accordance with the following provisions. The Continuation Provisions shown below may not be applied consecutively.

In all other respects, the terms of Your coverage remain unchanged.

Leave of Absence: If You are on a documented leave of absence, other than Family and Medical Leave or Military Leave of Absence, Your coverage may be continued for 12 month(s) for approved leaves. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

Military Leave of Absence: If You enter active full-time military service and are granted a military leave of absence in writing, Your coverage may be continued for up to 12 weeks. If the leave ends prior to the agreed upon date, this continuation will cease immediately.

Lay Off: If You are temporarily laid off by the Employer due to lack of work, all of Your coverage may be continued as determined by Your Employer for 12 months. If the lay off becomes permanent, this continuation will cease immediately.

Family and Medical Leave: If You are granted a leave of absence, in writing, according to the Family and Medical Leave Act of 1993, or other applicable state or local law, Your coverage(s) may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by other applicable law, following the date Your leave commenced. If the leave of absence ends prior to the agreed upon date, this continuation will cease immediately.

Labor Dispute: If You are not Actively at Work as the result of a labor dispute, all of Your coverages may be continued as determined by Your Employer for up to 12 month(s) during such dispute. If the labor dispute ends, this continuation will cease immediately.

- 1) the date The Policy terminates;
- 2) the date You become covered under another group life insurance policy;
- 3) the date specified in Your severance plan; or
- 4) 12 months from the date Your employment terminated.

Waiver of Premium: *Does coverage continue if I am Disabled?*

Waiver of Premium is a provision which allows You to continue Your coverage without paying premium, while You are Disabled and qualify for Waiver of Premium.

If You qualify for Waiver of Premium, the amount of continued coverage:

- 1) will be the amount in force on the date You cease to be an Active Employee;
- 2) will be subject to any reductions provided by The Policy; and
- 3) will not increase.

Eligible Coverages: *What coverages are eligible under this provision?*

This provision applies only to Your Basic Life Insurance.

You are not eligible to apply for both the Portability Benefit and Waiver of Premium for the same coverage amount for You.

Disabled: *What does Disabled mean?*

Disabled means You are prevented by injury or sickness from doing any work for which You are, or could become, qualified by:

- 1) education;
- 2) training; or
- 3) experience.

In addition, You will be considered Disabled if You have been diagnosed with a life expectancy of 12 months or less.

Conditions for Qualification: *What conditions must I satisfy before I qualify for this provision?*

To qualify for Waiver of Premium You must:

- 1) be covered under The Policy and be under age 60 when you become Disabled;
- 2) be Disabled and provide Proof of Loss that You have been Disabled for 9 consecutive months, starting on the date You were last Actively at Work or provide proof that You have been diagnosed with a life expectancy of 12 months or less; and
- 3) provide such proof within one year of Your last day of work as an Active Employee.

In any event, You must have been Actively at Work under The Policy to qualify for Waiver of Premium.

When Premiums are Waived: *When will premiums be waived?*

If We approve Waiver of Premium, We will notify You of the date We will begin to waive premium. In any case, We will not waive premiums for the first 9 month(s) You are Disabled. We have the right to:

- 1) require Proof of Loss that You are Disabled; and
- 2) have You examined at reasonable intervals during the first 2 years after receiving initial Proof of Loss, but not more than once a year after that.

If You fail to submit any required Proof of Loss or refuse to be examined as required by Us, then Waiver of Premium ceases.

However, if We deny Waiver of Premium, You may be eligible to:

- 1) continue coverage under the Portability Benefit; or
- 2) convert coverage in accordance with the Conversion Right.

If You cease to be Disabled and return to work for a total of 5 days or less during the first 9 month(s) that You are Disabled, the 9 month waiting period will not be interrupted. Except for the 5 days or less that You worked, You must be Disabled by the same condition for the total 9 month period. If You return to work for more than 5 days, You must satisfy a new waiting period.

Benefit Payable before Approval of Waiver of Premium: *What if I die before I qualify for Waiver of Premium?*

If You die within one year of Your last day of work as an Active Employee, but before You qualify for Waiver of Premium, We will pay the Amount of Life Insurance which is in force for You provided:

- 1) You were continuously Disabled;
- 2) the Disability lasted or would have lasted 9 months or more; and
- 3) premiums had been paid for coverage.

Waiver Ceases: *When will Waiver of Premium cease?*

We will waive premium payments and continue Your coverage, while You remain Disabled, until the date You attain Normal Retirement Age if Disabled prior to age 60.

What happens when Waiver of Premium ceases?

When the Waiver of Premium ceases:

- 1) if You return to work in an Eligible Class, as an Active Employee, then You may again be eligible for coverage as long as premiums are paid when due; or
- 2) if You do not return to work in an Eligible Class, coverage will end and You may be eligible to exercise the Conversion Right if You do so within the time limits described in such provision. The Amount of Life Insurance that may be converted will be subject to the terms and conditions of the Conversion Right. Portability will not be available.

Effect of Policy Termination: *What happens to the Waiver of Premium if The Policy terminates?*

If The Policy terminates before You qualify for Waiver of Premium:

- 1) You may be eligible to exercise the Conversion Right, provided You do so within the time limits described in such provision; and
- 2) You may still be approved for Waiver of Premium if You qualify.

If The Policy terminates after You qualify for Waiver of Premium Your coverage under the terms of this provision will not be affected.

BENEFITS

Life Insurance Benefit: *When is the Life Insurance Benefit payable?*

If You die while covered under The Policy, We will pay Your Life Insurance Benefit after We receive Proof of Loss, in accordance with the Proof of Loss provision.

The Life Insurance Benefit will be paid according to the General Provisions of The Policy.

Accelerated Benefit: *What is the benefit?*

In the event that You are diagnosed as Terminally Ill while You are:

- 1) covered under The Policy for an Amount of Life Insurance of at least \$10,000; and
- 2) under age 60;

We will pay the Accelerated Benefit in a lump sum amount as shown below, provided We receive proof of such Terminal Illness.

The Accelerated Benefit will not be available to You unless You have been Actively at Work under The Policy.

You must request in writing that a portion of Your Amount of Life Insurance be paid as an Accelerated Benefit.

The Amount of Life Insurance payable upon Your death will be reduced by any Accelerated Benefit Amount paid under this benefit. In addition, Your remaining Amount of Life Insurance will be subject to any reductions in The Policy and will not increase once an Accelerated Benefit has been paid. Any premium required will be based on the amount of Your life insurance remaining after the Accelerated Benefit is paid under this benefit.

You may request a minimum Accelerated Benefit amount of \$3,000, and a maximum of \$500,000. However, in no event will the Accelerated Benefit Amount exceed 80% of Your Amount of Life Insurance. This option may be exercised only once.

For example, if You are covered for a Life Insurance Benefit Amount under The Policy of \$100,000 and are Terminally Ill, You can request any portion of the Amount of Life Insurance Benefits from \$3,000 to \$80,000 to be paid now instead of to Your beneficiary upon death. However, if You decide to request only \$3,000 now, You cannot request the additional \$77,000 in the future.

A person who submits proof satisfactory to Us of his or her Terminal Illness will also meet the definition of Disabled for Waiver of Premium.

Any benefits received under this benefit may be taxable. You should consult a personal tax advisor for further information.

In the event:

- 1) You are required by law to accelerate benefits to meet the claims of creditors; or
- 2) if a government agency requires You to apply for benefits to qualify for a government benefit or entitlement;

You will still be required to satisfy all the terms and conditions herein in order to receive an Accelerated Benefit.

If You have executed an assignment of rights and interest with respect to Your Amount of Life Insurance, in order to receive the Accelerated Benefit, We must receive a release from the assignee before any benefits are payable.

Terminal Illness or Terminally Ill means a life expectancy of 12 months or less.

Proof of Terminal Illness and Examinations: *Must proof of Terminal Illness be submitted?*

We reserve the right to require satisfactory Proof of Terminal Illness on an ongoing basis. Any diagnosis submitted must be provided by a Physician.

If You do not submit proof of Terminal Illness satisfactory to Us, or if You refuse to be examined by a Physician, as We may require, then We will not pay an Accelerated Benefit.

Conversion Right: *If coverage under The Policy ends, do I have a right to convert?*

If Life Insurance coverage or any portion of it under The Policy ends for any reason, You have the right to convert the coverage that terminated to an individual conversion policy without providing Evidence of Insurability. Conversion is not available for any Amount of Life Insurance for which You were not eligible and covered under The Policy.

If coverage under The Policy ends because:

- 1) The Policy is terminated; or,
- 2) coverage for an Eligible Class is terminated;

then You must have been insured under The Policy for 5 years or more, in order to be eligible to convert coverage. The amount which may be converted under these circumstances is limited to the lesser of:

- 1) \$10,000; or
- 2) the Life Insurance Benefit under The Policy less any Amount of Life Insurance for which You may become eligible under any group life insurance policy issued or reinstated within 31 days of termination of group life coverage.

If coverage under The Policy ends for any other reason, the full amount of coverage which ended may be converted.

Insurer, as used in this provision, means Us or another insurance company which has agreed to issue conversion policies according to this Conversion Right.

Conversion: *How do I convert my coverage?*

To convert Your coverage You must:

- 1) complete a Notice of Conversion Right form; and
- 2) have Your Employer sign the form.

The Insurer must receive this within:

- 1) 31 days after Life Insurance terminates; or
- 2) 15 days from the date Your Employer signs the form;

whichever is later. However, We will not accept requests for Conversion if they are received more than 91 days after Life Insurance terminates.

After the Insurer verifies eligibility for coverage, the Insurer will send You a Conversion Policy proposal. You must:

- 1) complete and return the request form in the proposal; and
- 2) pay the required premium for coverage;

within the time period specified in the proposal.

Any individual policy issued to You under the Conversion Right:

- 1) will be effective as of the 32nd day after the date coverage ends; and
- 2) will be in lieu of coverage for this amount under The Policy.

Conversion Policy Provisions: *What are the Conversion Policy provisions?*

The Conversion Policy will:

- 1) be issued on any one of the Life Insurance policy forms the Insurer is issuing for this purpose at the time of conversion; and
- 2) base premiums on the Insurer's rates in effect for new applicants of Your class and age at the time of conversion.

The Conversion Policy will not provide:

- 1) the same terms and conditions of coverage as The Policy;
- 2) any benefit other than the Life Insurance Benefit; and

- 3) term insurance.

However, Conversion is not available for any Amount of Life Insurance which was, or is being, continued:

- 1) in accordance with the Waiver of Premium provision;
- 2) under a certificate of insurance issued in accordance with the Portability provision; or
- 3) in accordance with the Continuation Provisions;

until such coverage ends.

Death within the Conversion Period: *What if I die before coverage is converted?*

We will pay Your Amount of Life Insurance You would have had the right to apply for under this provision if:

- 1) coverage under The Policy terminates; and
- 2) You die within 31 days of the date coverage terminates; and
- 3) We receive Proof of Loss.

If the Conversion Policy has already taken effect, no Life Insurance Benefit will be payable under The Policy for the amount converted.

Effect of Waiver of Premium on Conversion: *What happens to the Conversion Policy if Waiver of Premium is later approved?*

If You apply and are approved for Waiver of Premium after an individual Conversion Policy has been issued, any benefit payable at Your death under The Policy will be paid only if the individual Conversion Policy is surrendered. The Insurer will refund the premium paid for such Conversion Policy.

Portability Benefits: *What is Portability?*

Portability is a provision which allows You to continue coverage under a group Portability policy when coverage would otherwise end due to certain Qualifying Events.

Qualifying Events: *What are Qualifying Events?*

Qualifying Events for You are:

- 1) Your employment terminates for any reason prior to Normal Retirement Age; or
 - 2) Your membership in an Eligible Class under The Policy ends;
- provided the Qualifying Event occurs prior to Normal Retirement Age.

Electing Portability: *How do I elect Portability?*

You may elect Portability for Your coverage after Your Basic Life Insurance coverage ends due to a Qualifying Event. The Policy must still be in force in order for Portability to be available.

To elect Portability for yourself, You must:

- 1) complete and have Your Employer sign a Portability application; and
- 2) submit the application to Us, with the required premium.

This must be received within:

- 1) 31 days after Life Insurance terminates; or
- 2) 15 days from the date Your Employer signs the application;

whichever is later. However, Portability requests will not be accepted if they are received more than 91 days after Life Insurance terminates.

After We verify eligibility for coverage, We will issue a certificate of insurance under a Portability policy. The Portability coverage will be:

- 1) issued without Evidence of Insurability;
- 2) issued on one of the forms then being issued by Us for Portability purposes; and
- 3) effective on the day following the date Your coverage ends.

The terms and conditions of coverage under the Portability policy will not be the same terms and conditions that are applicable to coverage under The Policy.

Limitations: *What limitations apply to this benefit?*

You may elect to continue 50%, 75%, or 100% of the Amount of Life Insurance which is ending for You. This amount will be rounded to the next higher multiple of \$1,000, if not already a multiple of \$1,000. However, the Amount of Life Insurance that may be continued will not exceed \$250,000 for You.

If You elect to continue 50% or 75% now, You may not continue any portion of the remaining amount under this Portability provision at a later date. In no event will You be able to continue an Amount of Life Insurance which is less than \$5,000.

Portability is not available for any Amount of Life Insurance for which You were not eligible and covered.

In addition Portability is not available if You are entering active military service.

Effect of Portability on Other Provisions: *How does Portability affect other Provisions?*

Portability is not available for any Amount of Life Insurance which was, or is being, continued in accordance with the:

- 1) Conversion Right;
- 2) Waiver of Premium provision; or
- 3) Continuation provisions;

under The Policy. However, if:

- 1) You elect to continue only a portion of terminated coverage under this Portability Benefit; or
- 2) the Amount of Life Insurance exceeds the maximum Portability amount;

then the Conversion Right may be available for the remaining amount.

The Waiver of Premium provision will not be available if You elect to continue coverage under this Portability Benefit.

In addition, if a claim for benefits is wholly or partially denied and all administrative remedies have been exhausted, You are entitled to pursue such claim anew, from the beginning, in a court with jurisdiction and to a trial by jury.

Beneficiary Designation: *How do I designate or change my beneficiary?*

You may designate or change a beneficiary by doing so in writing on a form satisfactory to Us and filing the form with the Employer. Only satisfactory forms sent to the Employer prior to Your death will be accepted.

Beneficiary designations will become effective as of the date You signed and dated the form, even if You have since died. We will not be liable for any amounts paid before receiving notice of a beneficiary change from the Employer.

Incontestability: *When can the Life Insurance Benefit of The Policy be contested?*

Except for non-payment of premiums, Your Life Insurance Benefit cannot be contested after two years from its effective date.

In the absence of fraud, no statement made by You relating to Your insurability will be used to contest Your insurance for which the statement was made after Your insurance has been in force for two years. In order to be used, the statement must be in writing and signed by You.

All statements made by the Policyholder, the Employer or You under The Policy will be deemed representations and not warranties. No statement made to affect this insurance will be used in any contest unless it is in writing and a copy of it is given to the person who made it, or to his or her beneficiary or Your representative.

STATE OF ILLINOIS
The Religious Freedom Protection and Civil Union Act
Effective June 1, 2011

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance's website at www.insurance.illinois.gov.

Vermont:

1. **Purpose:** Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons.
Definitions, Terms, Conditions and Provisions: The definitions, terms, conditions or any other provisions of the policy, contract, certificate and/or riders and are hereby superseded as follows:
 - a) Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms, include the relationship created by a civil union established according to Vermont law.
 - b) Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.
 - c) Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.
 - d) "Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.
 - e) "Child or covered child" means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under the policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

Your initial coverage under The Policy will begin, and will not be deferred if on the day before the Effective Date, You were insured under the Prior Policy, but on the Effective Date, You were not Actively at Work, but would otherwise meet the Eligibility requirements of The Policy. However, Your Amount of Insurance will be the amount of accidental death and dismemberment principal sum:

- 1) You had under the Prior Policy; or
- 2) shown in the Schedule of Insurance;

reduced by any coverage amount:

- 1) that is in force, paid or payable under the Prior Policy; or

In no event will the amount of insurance increase while coverage is continued in accordance with the following provisions.

In all other respects, the terms of Your coverage remain unchanged.

Leave of Absence: If You are on a documented leave of absence, other than Family and Medical Leave or Military Leave of Absence, Your coverage may be continued for up to 12 month(s) for approved leaves. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

Military Leave of Absence: If You enter active military service and are granted a military leave of absence in writing, Your coverage may be continued for up to 12 week(s). If the leave ends prior to the agreed upon date, this continuation will cease immediately.

Lay Off: If You are temporarily laid off by the Employer due to lack of work, Your coverage may be continued as determined by Your Employer for up to 12 month(s). If the lay-off becomes permanent, this continuation will cease immediately.

Family and Medical Leave: If You are granted a leave of absence, in writing, in accordance with state and/or federal family and medical leave laws, all of Your coverages may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by state law, following the date Your insurance would have terminated. If the leave of absence ends prior to the agreed upon date, this continuation will cease immediately.

Waiver of Premium: *Does coverage continue if I am Disabled?*

Waiver of Premium is a provision which allows You to continue Your Accidental Death and Dismemberment Insurance coverage without paying premium, while You are Disabled and qualify for Waiver of Premium.

If You qualify for Waiver of Premium, the amount of continued coverage:

- 1) will be the amount in force on the date You cease to be an Active Employee;
- 2) will be subject to any reductions provided by The Policy; and
- 3) will not increase.

Disabled: *What does Disabled mean?*

Disabled means You are wholly and continuously prevented from performing any work or occupation for wage or profit, for which You are reasonably qualified or trained, as a result of injury or sickness.

If You are in an occupation that requires You to maintain a license, Your failure to pass a physical examination required to maintain that license does not alone mean that You are disabled.

Conditions for Qualification: *What conditions must I satisfy before I qualify for this provision?*

To qualify for Waiver of Premium You must:

- 1) be covered under The Policy and be under the Normal Retirement Age when You become Disabled;
- 2) be Disabled and provide Proof of Loss that You have been Disabled for 9 consecutive month(s), starting on the date You were last Actively at Work; and
- 3) provide such proof within one year of the date You became Disabled.

Refund of Premium: *Will premiums be refunded if I am Disabled?*

When You are approved for Waiver of Premium, We will refund to You, or to Your estate if You have died, any premiums paid during the period You have been continuously Disabled.

When Premiums are Waived: *When will premiums be waived?*

If We approve Waiver of Premium, We will notify You of the date We will begin to waive premium. In any case, We will not waive premiums for the first 9 month(s) You are Disabled. We have the right to:

- 1) require Proof of Loss that You are Disabled; and
- 2) have You examined at reasonable intervals during the first 2 years after receiving initial Proof of Loss, but not more than once a year after that.

If You fail to submit any required Proof of Loss or refuse to be examined as required by Us then Waiver of Premium ceases.

However, if We deny Your application for Waiver of Premium, You may be eligible to convert coverage in accordance with the Conversion Right.

If You cease to be Disabled and return to work for a total of 5 days or less during the first 9 month(s) that You are Disabled, the 9 month(s) waiting period will not be interrupted. Except for the 5 days or less that You worked, You must be Disabled by the same condition for the total 9 month(s) period. If You return to work for more than 5 days, You must satisfy a new waiting period.

Waiver Ceases: *When will Waiver of Premium cease?*

We will waive premium payments and continue Your coverage, while You remain Disabled, until the date You attain Normal Retirement Age if Disabled prior to age 60.

What happens when Waiver of Premium ceases?

When the Waiver of Premium ceases:

- 1) if You return to work in an Eligible Class, as an Active Employee, then You may again be eligible for coverage as long as premiums are paid when due; or
- 2) if You do not return to work in an Eligible Class, coverage will end and You may be eligible to exercise the Conversion Right if You do so within the time limits described in such provision. The Amount of Accidental Death and Dismemberment Insurance that may be converted will be subject to the terms and conditions of the Conversion Right.

Effect of Policy Termination: *What happens to the Waiver of Premium if Policy terminates?*

If The Policy terminates before You qualify for Waiver of Premium:

- 1) You may be eligible to exercise the Conversion Right, provided You do so within the time limits described in such provision; and
- 2) You may still be approved for Waiver of Premium if You qualify.

If The Policy terminates after You qualify for Waiver of Premium Your coverage under the terms of this provision will not be affected.

Exercise of Conversion Right: *What happens to the Waiver of Premium Provision if I convert my coverage?*

If You exercise Your right under the Conversion Right, this Waiver of Premium provision will automatically terminate.

However, You may still be eligible for this Waiver of Premium provision, if, within 12 months of conversion of Your coverage to an individual policy:

- 1) You fulfill all the conditions of the Waiver of Premium provision; and
- 2) You surrender the individual policy and all benefits and payments under the individual policy except for any refund of premiums.

Conversion Right: *If my coverage under The Policy ends, do I have a right to conversion?*

If You cease to be covered under The Policy because You cease to be eligible for coverage and:

- 1) The Policy has not terminated; and
- 2) You have paid any required premium;

You have a Conversion Right as provided below.

The Conversion Right allows You to request coverage under a conversion policy from the Insurer, without giving medical evidence of insurability, to cover Yourself but not Your Dependents.

Insurer, as used for this Conversion Right, means Us or another insurance company which has agreed with Us to issue converted policies according to this conversion right.

You must:

- 1) give the Insurer a written request for the converted policy; and
- 2) pay the Insurer the initial premium;

within 31 days after You cease to be covered under The Policy.

The Conversion Right will provide a converted policy that:

- 1) will have the provisions, limitations and exclusions on the form the Insurer is issuing for this purpose at conversion;
- 2) will provide coverage on a twenty four hour a day basis;
- 3) will provide benefits for Accidental Death and Dismemberment alone;
- 4) will take effect on the date You cease to be covered under The Policy;
- 5) may exclude any condition excluded by The Policy;
- 6) will not pay for any loss covered by The Policy;
- 7) will provide a Principal Sum for You which will be:
 - a) the amount of Your Principal Sum under The Policy on the date of conversion, rounded to the nearest \$1,000, subject to a minimum of \$25,000.00 and a maximum of \$250,000, if You are under age 70;
 - b) \$25,000.00, if You are age 70 or older but less than age 75; or
 - c) \$12,500.00, if You are age 75 or older;
- 8) will have premiums based on the Insurer's rates in effect for new applicants of Your class and age at conversion.

Reinstatement after Military Service: *Can my coverage be reinstated after return from active military service?*

If:

- 1) Your coverage terminates because You enter active military service; and
 - 2) You are rehired within 12 months of the date Your coverage terminated;
- then coverage for You may be reinstated, provided You request such reinstatement within 31 days of the date You return to work.

The reinstated coverage will be the same coverage amounts in force on the date coverage terminated and will be subject to all the terms and provisions of The Policy.
