ST. VRAIN VALLEY SCHOOLS
academic excellence by design

NOTICE OF REGULAR MEETING AND AGENDA

October 14, 2026

Jocelyn Gilligan, President, Board of Education
Dr. Jackie Kapushion, Superintendent of Schools

Educational Services Center
395 South Pratt Parkway
Longmont, Colorado 80501

DISTRICT VISION STATEMENT
To be an exemplary school district which inspires and promotes high standards of learning and student well-being in partnership with parents, guardians and the community.

DISTRICT MISSION STATEMENT
To educate each student in a safe learning environment so that they may develop to their highest potential and become contributing citizens.

ESSENTIAL BOARD ROLES
- *Guide the superintendent*
- *Engage constituents*
- *Ensure alignment of resources*
- *Monitor effectiveness*
- *Model excellence*

BOARD MEMBERS
- *Meosha Babbs, Member*
- *Jim Berthold, Vice President*
- *Jocelyn Gilligan, President*
- *Sarah Hurianek, Secretary*
- *Geno Lechuga, Assistant Secretary*
- *Hadley Solomon, Member*
- *Jackie Weiss, Treasurer*

PUBLIC COMMENT PROCESS
The Board of Education values community perspectives and the feedback from our parents, teachers, staff and community. During Board Meetings, the Board will hear up to 30 minutes of public comment on non-agenda items and 30 minutes of public comment on agenda-specific items.

- *Each person is limited to three minutes of public comment*
- *The manner of your comments must be appropriate for the business meeting of the board.*
- *If you are speaking to a non-agenda item, you must limit your remarks to matters of public concern about the district.*
- *Concerns about the day-to-day operations of the district should first be referred through the proper administrative channels before it is presented to the board.*

Wednesday, October 28	5:15 - 5:45 pm Study Session
Wednesday, October 28	6:00 - 8:00 pm Regular Meeting

MEMORANDUM

DATE: October 14, 2026

TO: Board of Education

FROM: Dr. Jackie Kapushion, Superintendent of Schools

SUBJECT: 1st Quarter Public Gifts to Schools – School Year 2026-2027
Strategic Priority – Strong District Finances

PURPOSE

To provide the Board of Education with a list of public gifts given to the St. Vrain Valley School District for the first quarter of the 2026-2027 school year totaling $267,359.65. The total of all gifts given to the District for the 2026-2027 school year is $267,359.65.

BACKGROUND

During the course of the year, the District receives many cash and gift donations for its programs. These gifts are accepted by the principal, the superintendent or the Board of Education according to Board Policy KCD, Public Gifts to Schools. The attached listing delineates these gifts.

For the 2025-2026 school year, first quarter gifts totaled $492,545.41.

TOTAL			**$ 267,359.65**		

MEMORANDUM

DATE: October 14, 2026

TO: Board of Education

FROM: Dr. Jackie Kapushion, Superintendent of Schools

SUBJECT: K-12 Civics Education Update
Strategic Priority – Rigorous, Well-Aligned Standards, Instruction and Assessment

PURPOSE

To provide the Board of Education with an update on K-12 civics education and activities that promote civic engagement and citizenship across St. Vrain Valley Schools.

BACKGROUND

Local, regional, and global citizenship is an important value aligned with the mission of St. Vrain Valley Schools. Through the Colorado Academic Standards for Social Studies, civics education and principles of government are delineated across the grade levels. Federal law (Public Law 108-447, §111) also requires educational institutions receiving federal funds to provide an educational program on the U.S. Constitution for students each year on September 17, Constitution Day and Citizenship Day.

This presentation describes civics education across elementary, middle, and high school, along with other district-supported opportunities for students to develop their capacity to serve as productive local and global citizens.

MEMORANDUM

DATE: October 14, 2026

TO: Board of Education

FROM: Dr. Jackie Kapushion, Superintendent of Schools

SUBJECT: Approval of Board of Education Meeting Minutes
Strategic Priority – High Functioning School Board

RECOMMENDATION

That the Board of Education approve the minutes from the September Board Meetings.

BACKGROUND

The Board will be asked to approve the minutes from the September 9, 2026 Regular Meeting, September 16, 2026 Study Session, and the September 23, 2026 Regular Meeting.

MEMORANDUM

DATE: October 14, 2026

TO: Board of Education

FROM: Dr. Jackie Kapushion, Superintendent

SUBJECT: Approval of St. Vrain Community Montessori School Request to Reconsider Application
Strategic Priority - Rigorous, Well-Aligned Standards, Curriculum, Instruction and Assessment

RECOMMENDATION

That the Board of Education approve the submission of the Request to Reconsider application for St. Vrain Montessori Community School as part of the School Accreditation process.

BACKGROUND

St. Vrain Community Montessori School has submitted a Letter of Intent to apply for a Request to Reconsider regarding its state performance rating of "Insufficient State Data - Year 1 on Participation Action Plan." The intent of this application is to request the removal of the Year 1 Participation Action Plan requirement and remove the school from the state participation accountability clock.

On the 3-year School Performance Framework (SPF), the school's historical average assessment participation rate is below the 25% state threshold. On the most recent 1-year SPF, the school's participation rate increased to 47%. This growth reflects deliberate strategic efforts by school leadership and staff to increase overall student assessment participation.

Because the school has successfully exceeded the required participation threshold on its latest 1-year framework, it no longer warrants placement on the participation accountability clock and is seeking approval for formal submission of the Request to Reconsider application to The Colorado Department of Education as part of the School Accreditation process.

MEMORANDUM

DATE: October 14, 2026

TO: Board of Education

FROM: Dr. Jackie Kapushion, Superintendent of Schools

SUBJECT: Approval of Contract Award for Furniture Purchase at the Innovation Center - South Addition
Strategic Priority – Student and Staff Well-Being

RECOMMENDATION

That the Board of Education approve the purchase of furniture with Hertz Furniture for the Innovation Center Expansion Project for an initial amount of $584,466 and a total contract value of $642,912. Further, to authorize Brian Lamer, Assistant Superintendent of Operations, to sign contract documents and initiate scope changes up to the approved amounts in accordance with Board of Education policy.

BACKGROUND

This contract award is for all work related to the purchase and installation of furniture for the Innovation Center - South Addition.

Hertz Furniture was selected for this project based on their response to RFP 2026-021, demonstrating the capability to perform the work in the most cost effective and timely manner.

Funding for the project is available from the 2024 Bond Program. This item is being brought forth to comply with Board policy FEG stating any items over $99,999 must have Board approval.

MEMORANDUM

DATE: October 14, 2026

TO: Board of Education

FROM: Dr. Jackie Kapushion, Superintendent of Schools

SUBJECT: Approval of Change Order to the Construction Manager/General Contractor (CM/GC) Contract for the New Erie Elementary School #29 Project
Strategic Priority – Portfolio of 21st-Century Instructional Focus Schools and Robust Co-Curricular Opportunities

RECOMMENDATION

That the Board of Education approve Change Order #4 for $733,425.38 to the contract with GH Phipps Construction Companies for the New Erie Elementary School #29 Project for a new contract value of $46,573,836.36. Further, to authorize Brian Lamer, Assistant Superintendent of Operations, to sign contract documents and initiate scope changes up to the approved amounts in accordance with Board of Education policy.

BACKGROUND

This change order includes costs related to additional BIM modeling requirements, concrete admixtures, and stacking of mechanical and electrical trades.

Funding for the project is available from the 2024 Bond Program and cash in lieu funds. This item is being brought forth to comply with Board policy FEH stating any change order or cumulative change orders over $99,999 must have Board approval.

Original Agreement Amount (a)	$ 39,000.00
Previous change orders (b)	$45,801,410.98
Current change order (c)	$ 733,425.38
Total changes (previous + current) (d)	$46,534,836.36
New contract amount (e)	$46,573,836.36

MEMORANDUM

DATE: October 14, 2026

TO: Board of Education

FROM: Dr. Jackie Kapushion, Superintendent of Schools

SUBJECT: Approval of Change Order to the Construction Manager/General Contractor (CM/GC) Contract for the Skyline High School 2027 Bond Renovations Project
Strategic Priority - Cutting-Edge Technology and Innovation

RECOMMENDATION

That the Board of Education approve Change Order #1 for $2,205,099 to the Construction Manager/General Contractor (CM/GC) contract with Adolfson & Peterson Construction, for the Skyline High School 2027 Bond Renovations Project for a total contract value of $2,254,699. Further, that the Board authorize Brian Lamer, Assistant Superintendent of Operations, to sign contract documents and initiate scope changes in accordance with Board of Education policy.

BACKGROUND

This change order is for the early release of mechanical and electrical subcontractors to facilitate the procurement of equipment in support of the project schedule.

Funding for the project is available from the 2024 Bond Program. This item is being brought forth to comply with Board policy FEH stating any items over $99,999 must have Board approval.

Original Agreement Amount (a)	$ 49,600
Previous change orders (b)	$ 0
Current change order (c)	$2,205,099
Total changes (previous + current) (d)	$2,205,099
New contract amount (e)	$2,254,699

MEMORANDUM

DATE: October 14, 2026

TO: Board of Education

FROM: Dr. Jackie Kapushion, Superintendent of Schools

SUBJECT: Adoption of Resolution for Declaration of Vacancy in Director District C
Strategic Priority – High Functioning School Board

RECOMMENDATION

That the Board of Education adopt the attached resolution and proceed with filling the vacancy for a Director District C Board member.

BACKGROUND

It is with tremendous sadness that the administration brings forward this memorandum seeking board action declaring a vacancy in Director District C due to the untimely death of St. Vrain Valley Board of Education Director James Berthold after a brief illness. Mr. Berthold has dutifully and committedly served as a director of this Board from his initial election as Director for District C on November 5, 2019, winning reelection on November 7, 2023. At the time of his passing, Mr. Berthold served as Vice President of the Board, and prior to his service on the Board he had been an employee of the District in the Transportation Department. Mr. Berthold has long been a steadfast supporter of the St. Vrain Valley Schools and public schools, more generally. Under Colorado law, a school director's office shall be deemed vacant if the duly elected director dies during the term of office. Section 22-31-129(1)(i), C.R.S. Therefore, per statute, the school director's office for Director District C should be deemed vacant.

In compliance with Colorado law, the Board should adopt the attached resolution, which will officially declare a vacancy and allow for the process to begin for filling the Director District C position. The vacancy will be posted on the District website. Letters of interest and resumes from individuals interested in the vacant position will be accepted from Friday, October 16, 2026, through 4:00 p.m. Friday, October 23, 2026, at the District administrative offices. The Board will review candidate's letters and resumes and may choose to conduct interviews with qualified candidates, at its regular meeting on October 28, 2026. The Board may discuss the candidates at that Board meeting, and a candidate could potentially be appointed and sworn in Wednesday, November 11, 2026. The term of appointment for this position will be from the time the appointment is made until the November 2027 Coordinated Election. The position of Director District C will then appear on the official ballot for a four-year term, at which time the public will elect a candidate for this position.

A RESOLUTION OF THE BOARD OF EDUCATION OF THE ST. VRAIN VALLEY SCHOOL DISTRICT RE-1J DECLARING A VACANCY ON THE BOARD AND ESTABLISHING PROCEDURES FOR FILLING SUCH VACANCY

WHEREAS James Berthold was duly elected as the director from Director District C for a four-year term of office commencing November 2023; and

WHEREAS Mr. Berthold passed away after a brief illness on the evening of September 27, 2026; and

WHERERAS pursuant to § 22-31-129(1)(i), C.R.S., Mr. Berthold's passing creates a vacancy in the office of school director for Director District C on the Board of Education; and

WHEREAS § 22-31-129(2), C.R.S. provides that this Board shall adopt a resolution declaring a vacancy in the office of school director for Director District C; and

WHEREAS the Board desires to fill such vacancy within the statutory 60-day time period after the vacancy has occurred;

NOW THEREFORE BE IT RESOLVED that this Board hereby declares that a vacancy exists in the office of school director for Director District C; and,

BE IT FURTHER RESOLVED, that this Board hereby adopts the following procedure, effective immediately, which this Board will use in appointing a person to fill such vacancy within 60 calendar days after September 27, 2026:

1. Notice of the vacancy shall be posted on the District's website, in the local newspaper, and will also be posted at any District school located in Director District C.

2. The notice shall contain the legal qualifications for a Director as fixed by law.

3. The deadline for submitting letters of interest will be 4:00 pm on Friday, October 23, 2026.

4. At the option of the Board, interviews of candidates for the vacancy will be conducted by this Board in a public session or sessions of any regular or special meeting of this Board, but no later than November 11, 2026, such date and time of the interviews, if any, to be determined.

5. The Board anticipates that it will appoint a person to fill the vacancy at the November 11, 2026 Board meeting, such person to serve until the regular school election to be held in November 2027, at which time the directorship will be open for election for the four-year term.

6. District staff is hereby directed to take the necessary action to implement these established procedures.

Dated: October 14, 2026

BOARD OF EDUCATION
ST. VRAIN VALLEY SCHOOL DISTRICT RE-1J

By:_____
Jocelyn Gilligan, Board President

ATTEST:

_____
Sarah Hurianek, Board Secretary

MEMORANDUM

DATE: October 14, 2026

TO: Board of Education

FROM: Dr. Jackie Kapushion, Superintendent

SUBJECT: Approval of School Name, Colors, and Mascot for the New PK-5 in Erie
Strategic Priority – Strong/Visionary Leadership

RECOMMENDATION

That the Board of Education select one of the following school names and mascots submitted by the Elementary #29 Branding Advisory Committee as the official name for the new PK-5 in Erie.

NAMING OPTIONS

Option 1: Colliers Hill Foxes

Name: Colliers Hill Elementary
Mascot: Foxes
Rationale: Colliers Hill Elementary connects the school directly to the neighborhood it serves while also honoring Erie's history. The word *collier* has historic ties to coal mining, creating a natural connection between the school's location and the generations of people whose work helped shape Erie. The name also received strong community support, with 31% of respondents suggesting a Colliers-based name.

The Fox complements that identity with a mascot that feels both playful and purposeful for an elementary school. Foxes are curious, clever, adaptable, and resourceful: qualities that reflect the kind of learners we hope to develop. They explore their surroundings, solve problems, and thrive through both independence and connection with others. Together, "Colliers Hill Foxes" creates an identity rooted in where we come from while looking toward the students and community we are building for the future.

Option 2: West Ridge Mustangs

Name: West Ridge Elementary
Mascot: Mustangs
Rationale: West Ridge Elementary connects directly to the school's location - the campus is encircled by West Ridge Circle - while reflecting a strong community preference for place-based names. Forty-five percent of respondents suggested names featuring geographic or landform language. The name is simple, recognizable, and connected to its surroundings, while giving the new school room to build an identity all its own.

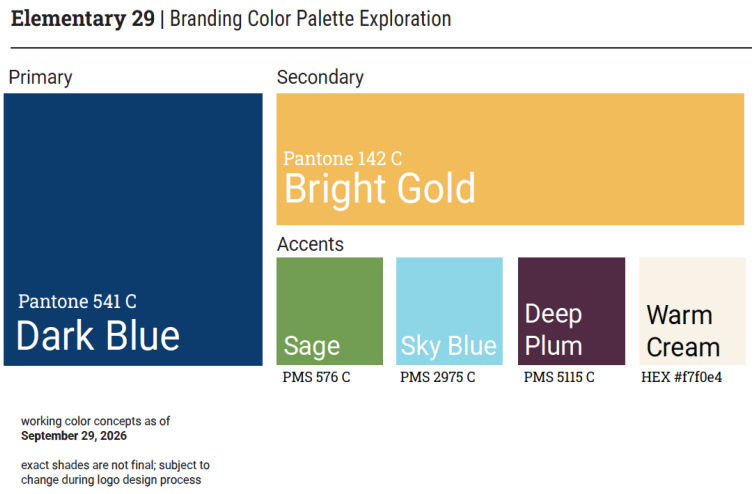

The Mustang brings energy and meaning to that identity. Mustangs represent strength, independence, determination, and resilience: qualities we want students to develop as they learn and grow. The Mustang represents the confidence to find your own path, take on challenges, and keep moving forward when things get difficult. Together, "West Ridge Mustangs" creates an empowering, kid-friendly identity with strong potential for school spirit, traditions, and a sense of belonging that can grow with students from preschool through fifth grade.

<u>COLOR PALETTE</u>

Primary Colors:
Dark Blue and Bright Gold

Accent Colors:
Sage Green, Sky Blue, Deep Plum, and Warm Cream

Rationale: Our colors bring together community preferences, connections to Erie, and the design of our new facility to create a palette that feels welcoming, energetic, and distinctly our own.

Board Policy FF, Naming of Facilities:
The Board of Education recognizes that the process for naming a school, school facility or area of school property is a matter deserving thoughtful and serious consideration. A facility will not be renamed unless the current name has become obsolete or is deemed inappropriate because of the community it serves or the program it houses. School facilities

may be named for a geographical area, community location or in honor of a deceased individual who has made a significant contribution to the field of education at either the local, state or national level. An advisory committee will be formed to solicit community input for naming or renaming a school.

Process:

Elementary #29 actively involved families, staff, and community members in developing the new school's name, mascot, and colors through a public submission process and Branding Advisory Committee.

- **September 1:** Community submission form opened. Outreach included the Elementary #29 Community meeting, website news story, media release, and social media posts to invite community members to submit ideas for the school name, mascots and colors.
- **September 10:** A Branding Advisory Committee was created, made up of parents, Elementary #29 staff, Erie administrators, and SVVSD leaders.
- **September 20:** Public submissions closed and information was compiled for committee review.
- **September 21:** The Elementary #29 Branding Advisory Committee met to review submissions, filter based on criteria, and narrow the options in advance of Dr. Kapushion's Administrative Cabinet meeting on 9/27.
- **September 27:** Dr. Kapushion's Administrative Cabinet met to review the submitted list and narrow the options before the next Branding Advisory Committee meeting on 9/30.
- **September 30:** The Elementary #29 Branding Advisory Committee met again to review feedback from Dr. Kapushion's Administrative Cabinet meeting and proposed two final options in advance of the Board of Education meeting on 10/14/26.
- **October 14**: Top results from the committee shared with the Board of Education for final vote on name and mascot.

MEMORANDUM

DATE: October 14, 2026

TO: Board of Education

FROM: Dr. Jackie Kapushion, Superintendent of Schools

SUBJECT: Adoption of Attendance Boundaries for Elementary School #29
Strategic Priority – Strong/Visionary Leadership

RECOMMENDATION

That the Board of Education adopt the proposed boundary Scenario A for the new Elementary School #29 (Elementary #29) in Erie, along with the associated changes to the Soaring Heights PK-8 boundary.

BACKGROUND

The 2024 bond, graciously approved by voters, provided funding for the construction of new schools, along with improvements to existing schools across the St. Vrain Valley School District. Elementary #29 is part of the overall bond plan to alleviate overcrowding at Soaring Heights PK-8, and the overall Erie region. Elementary #29 is located west of Soaring Heights PK-8 in the Colliers Hill neighborhood, and is planned to open in the Fall of 2027.

BOUNDARY DEVELOPMENT AND PLANNING

The Planning Department began developing boundaries for the new elementary school in early 2026. Several options were evaluated, and two scenarios were ultimately presented to the community for feedback via the Long-Range Planning Committee held on August 25, 2026 and the Community Meeting held at Erie High School on September 1, 2026. These scenarios were developed by Planning staff after coordination and input from district leadership, school-based leadership, the Transportation Department, various Operations staff, and local Town stakeholders.

Planning staff considered numerous factors when developing the scenarios. A few of those are highlighted below:

- Ensure all new and impacted schools have sufficient enrollment to operate efficiently with an appropriate staffing level.
- Consider the location and size of future housing developments to ensure space for future growth.

- Impact the fewest number of existing students as is reasonably feasible with minimal impacts to feeder systems.
- Consider natural boundaries as division lines whenever possible (major roads, established neighborhoods, waterways, railroads, etc.).
- Incorporate public input and strive to preserve neighborhood cohesion where possible.
- Explore options that minimize time on buses.
- Prioritize student safety by considering walkability and bikeability.

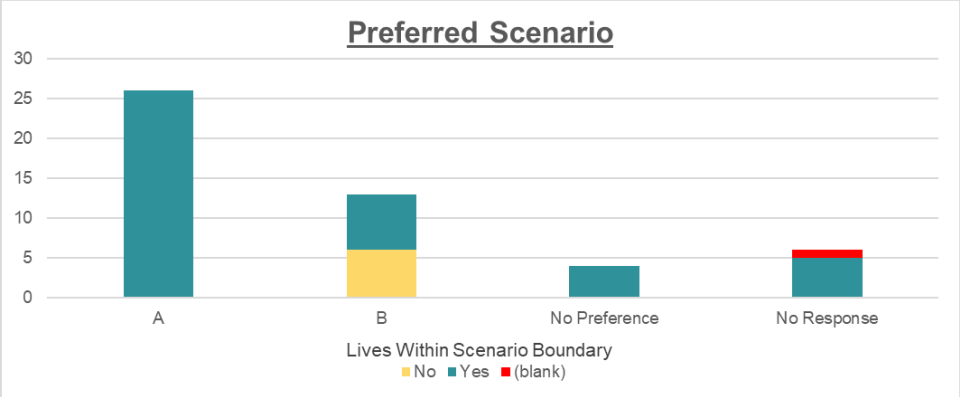

SCENARIOS

To minimize the impact on existing students and their families, the current boundary for the elementary portion of the Soaring Heights PK-8 was used as the starting point for analysis. In addition, splitting the current boundary minimizes the impact on surrounding schools. The location of Elementary #29 relative to Soaring Heights PK-8 sets up a logical boundary split using County Road 5 as the dividing line for both Scenario A and Scenario B (attached for reference). In addition, Erie Parkway makes an ideal dividing line to the south separating Elementary #29 and Highlands Elementary School. For the west boundary the Cottonwood Ditch extending north to County Road 3 remains an ideal boundary line separating Erie Elementary School and Elementary #29. Scenario A and B are identical until this point. Scenario A uses County Road 12 as the northern boundary and Highway 52 was chosen as the northern boundary line for Scenario B. Both scenarios relieve capacity pressure on the elementary portion of Soaring Heights PK-8.

COMMUNITY FEEDBACK

St. Vrain Valley Schools communication department solicited community feedback during the community meeting held on September 1, 2026. This feedback form was available via QR code at the event as well as posted on the District's website. An email was sent to all impacted parents with reference to the survey on the district website to ensure clear and consistent communication.

Staff recommends Boundary Scenario A based on favorable response by a majority of the survey respondents from the September 1st community meeting. A summary of the responses for scenario preference is below, broken down by respondents who live inside or outside of the impacted area.

OPEN ENROLLMENT AND TRANSPORTATION

The District's Transportation Department is currently working on possible transportation routes and walk zones for the new school. Once the Board of Education takes action on the proposed boundary, the Transportation Department will finalize the walk zones and bus routes, and will communicate that plan. It should be noted that the majority of students in both scenarios live within the District's walk boundary and would not require transportation with the exception of special education students who would be transported per our policy. The only region from either scenario that would require transportation would be students living along, or north of, Rue de Trust north through Highway 52.

FUTURE GROWTH

In rapidly growing communities, school districts are tasked with providing capacity for a continuing influx of new students. This leads to frequent cycles of new school construction and attendance boundary modifications to reduce the capacity strain. While school districts do not cause the growth, they must provide the capacity and the new schools to serve the growth. In the case of the Town of Erie, there is a great deal of possible future housing development. Within the existing Soaring Heights PK-8 boundary, there are around 2,150 approved housing units (half of which are age restricted) that have yet to be built. In addition, there are over 5,350 housing lots that are currently being considered in the municipal planning process (annexation phase, planned unit development phase, preliminary plat, or developers working with SVVSD Planning staff that have provided future housing counts).

Capacity at Elementary #29, along with the newly created capacity at Soaring Heights PK-8, should accommodate future growth until the next capital planning effort is undertaken and funding is provided through a future successful bond election for additional facilities. Boundary adjustments can be difficult for families and communities. Recognizing this, the boundary scenarios attempt to anticipate new schools likely to be built in the future and attempt to create natural future boundary splits to accommodate future sites.

Boundary Descriptions: Scenario A

Soaring Heights (elementary PK-5) Boundary Description:

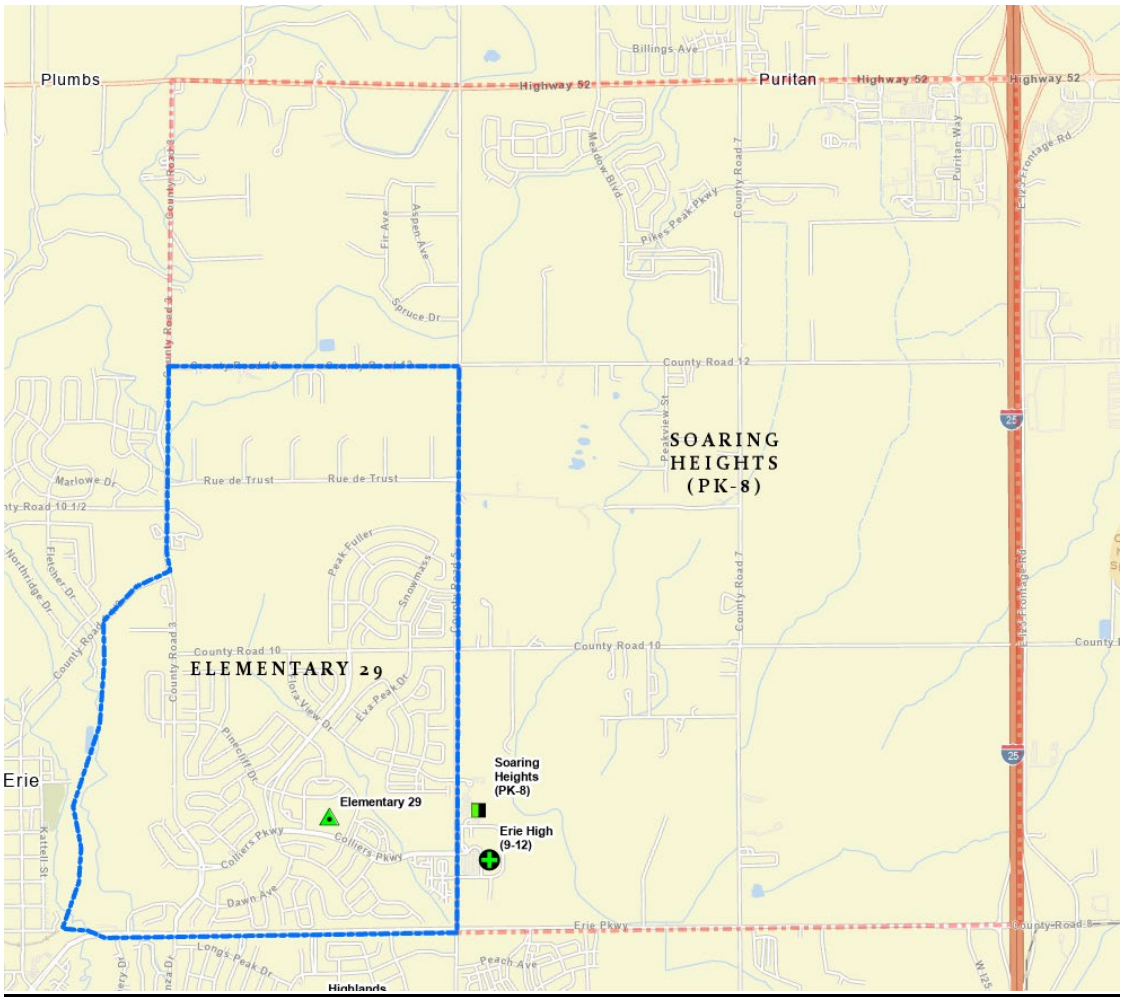

- *Beginning at the intersection of State Highway 52 and Weld County Road 3 thence continuing in a counter clockwise direction;*
- *Proceed south along the centerline of Weld County Road 3 (including east side of Weld County Road 3 to Weld County Road 12, (Does not include Morgan Hill)*
- *East along the centerline of Weld County Road 12 to the intersection of Weld County Road 12 and the centerline of Weld County Road 5.*
- *South following the centerline of Weld County Road 5 to the intersection of the centerline of Erie Parkway.*
- *East along the centerline of Erie Parkway to the centerline of Interstate 25.*
- *North along the centerline of Interstate 25 to the centerline of State Highway 52.*
- *West along the centerline of State Highway 52, to the point of beginning (including properties south of SH52).*

Elementary 29, Boundary Description:

- *Beginning at the intersection of Weld County Road 3 and the centerline of Weld County Road 12, thence continuing in a counter clockwise direction.*
- *South along the centerline of Weld County Road 3 to the centerline of Weld County Road 1 ½.*
- *Southwest following the centerline of Weld County Road 1 ½ to the intersection with the Cotton Wood Ditch.*
- *Continue southwest following the centerline of the Cottonwood Ditch to Erie Parkway*
- *East following the centerline of Erie Parkway to the intersection of Weld County Road 5.*
- *North following the centerline of Weld County Road 5 to the intersection of County Road 12.*
- *West following the centerline of Weld County Road 12 to the point of beginning.*

MEMORANDUM

DATE: October 14, 2026

TO: Board of Education

FROM: Dr. Jackie Kapushion, Superintendent of Schools

SUBJECT: Adoption of Attendance Boundaries for Northridge Elementary (Sanborn Elementary Consolidation)
Strategic Priority – Strong Visionary Leadership

RECOMMENDATION

That the Board of Education approve the proposed boundary change consolidating the Sanborn Elementary attendance area into the Northridge Elementary attendance area, effective for the 2027-28 school year. Maps and descriptions of the proposed boundary change are attached to this memorandum.

BACKGROUND

The St. Vrain Valley School District has been evaluating school efficiency and facility utilization in response to changing enrollment trends and demographic conditions across the District. This work was presented to the Board of Education during a study session on December 17, 2025, followed by a public session presentation on January 14, 2026.

As part of this work, the Board of Education was presented data concerning changing birth rates, changing demographics, and declining enrollment trends in some areas of the District. The Board was also presented with potential benefits of consolidating schools where enrollment and demographic conditions support a more efficient use of existing facilities. The proposed consolidation of Sanborn Elementary into Northridge Elementary is a result of this work, and consistent with Board Policy JCAA and JCAA-R. This consolidation provides an opportunity to address the disparity among schools in their enrollments in relationship to their capacities, and to align elementary capacity with projected enrollment while continuing to use the Sanborn facility for educational purposes through the APEX Homeschool program. Pursuant to Board policy, any boundary changes for the 2027-2028 school year must be finalized before the first regular Board meeting in February to provide staff, teachers, parents and students to prepare for the changes.

BOUNDARY DEVELOPMENT

Boundary development began with a goal of impacting the fewest students possible while creating a boundary that would maintain stable enrollment in the future. Numerous boundary variations were analyzed by District staff. Ultimately, it was determined that combining the existing Sanborn and Northridge boundaries would create a clean and logical boundary. The combined boundary also minimizes impacts to surrounding elementary boundaries and respects the existing major road network, reducing the number of students who would need to cross major roads.

Under the proposed boundary, the current Sanborn Elementary attendance area will be incorporated into the Northridge Elementary attendance area beginning with the 2027-28 school year. The proposed combined boundary will create a single elementary attendance area and allow Northridge Elementary, with a capacity of 490 students, to efficiently serve the combined student population.

The enrollment history shown below demonstrates the changing enrollment conditions in the area. Combined enrollment at Sanborn and Northridge has declined from 759 students in 2016 to 451 students in 2025. Current projections indicate that combined enrollment will continue to decline, with projected enrollment ranging from approximately 420 to 460 students by 2029.

Enrollment

	2016	2017	2018	2019	2020	2021	2022	2023	2024	2025
Northridge	346	334	291	289	251	274	266	274	282	281
Sanborn	413	383	360	333	291	240	243	218	193	170
Total	**759**	**717**	**651**	**622**	**542**	**514**	**509**	**492**	**475**	**451**

TRANSPORTATION

Once the Board of Education takes action on the proposed boundary, the Transportation Department will finalize the walk zones and bus routes and communicate the plan to the community. During the public meetings, District leadership indicated the District's desire to ensure a smooth transition into the new combined school, and offered additional bus pickup locations for the 2027-28 school year. These additional bus stops are beyond what District policy requires, as shown in the attached map (ProposedBoundary_with_Bus_stops.pdf).

COMMUNITY AND STUDENT TRANSITION

The District hosted numerous community and public meetings as part of the School Efficiency Planning process for the Sanborn and Northridge communities. Feedback gathered from these meetings was considered as District leadership evaluated the proposed consolidation and resulting boundary change recommendation.

Recognizing that a school consolidation can be difficult for students, families, and school communities, District Leadership has also ensured that all current Sanborn Elementary students had access to a special open enrollment period for the 2026-27 school year. This provided families with an opportunity to select another District school if they determine that is the best option for their student during this transition.

FUTURE SANBORN USE

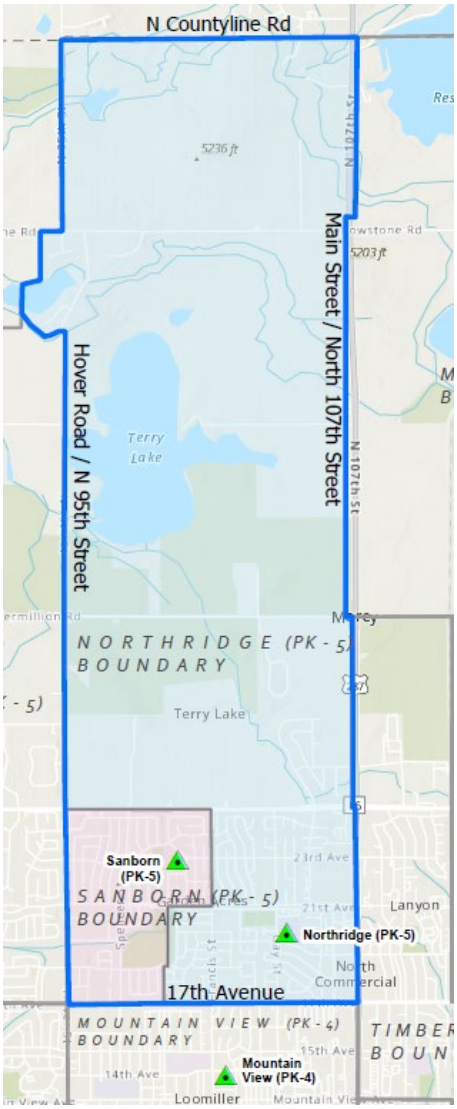

Following the consolidation, Sanborn Elementary will be repurposed for the APEX Homeschool program. This will allow the District to continue utilizing the existing facility for educational purposes while reducing the number of traditional elementary schools needed to serve the projected enrollment in the region.

Boundary Descriptions: New Northridge

Northridge Elementary (PK-5) Boundary:

- Beginning at the intersection of the north district boundary and Highway 287 (North 107th Street),
- Proceed south along the east side of Highway 287 (including both sides of the highway) to Yellowstone Road;
- At Yellowstone Road, continue south along the west side of Highway 287 (excluding both sides of the highway and including all of Willis Heights) to Ute Highway (Highway 66);
- Continue south along the centerline of Main Street (Highway 287) to 17th Avenue;
- Then west along the centerline of 17th Avenue to the centerline of Hover Road (North 95th Street),
- Then north along the centerline of Hover Road (North 95th Street) to the northern district boundary;
- Proceed east along the northern district boundary to the point of beginning at Highway 287 (North 107th Street).
