Huddle up!

What are ComPsych® Huddles?

ComPsych **Huddles** are hour-long interactive online support groups focused on education, skill building and peer connection. We also offer **Alliances**, safe virtual discussion and support groups for individuals who identify as members of a specified community to share and process experiences or interests. If you prefer “listen and learn” opportunities, you can join **Huddle Webinars**, also up to an hour long, as well as **Huddle Practices**, for those interested in joining a 25-minute guided practice, such as relaxation exercises, mindfulness meditation or stretching, to promote self-care moments during the day. **Please note all times are in Mountain and are subject to change.**
